ST. PHILIP THE APOSTLE SCHOOL

ANKLIN

Sunrise fades into tomorrow,

childhood it leaves behind,

erases youthful pain and sorrow,

peacefulness it hopes to find,

Childhood, a moment past,

new dreams to explore,

part of life has slipped by fast,

we hopefully wait for more.

Adolescence, a new dimension,

time for growth, maturity,

time for pain and love and tension,

time to live or just to be.

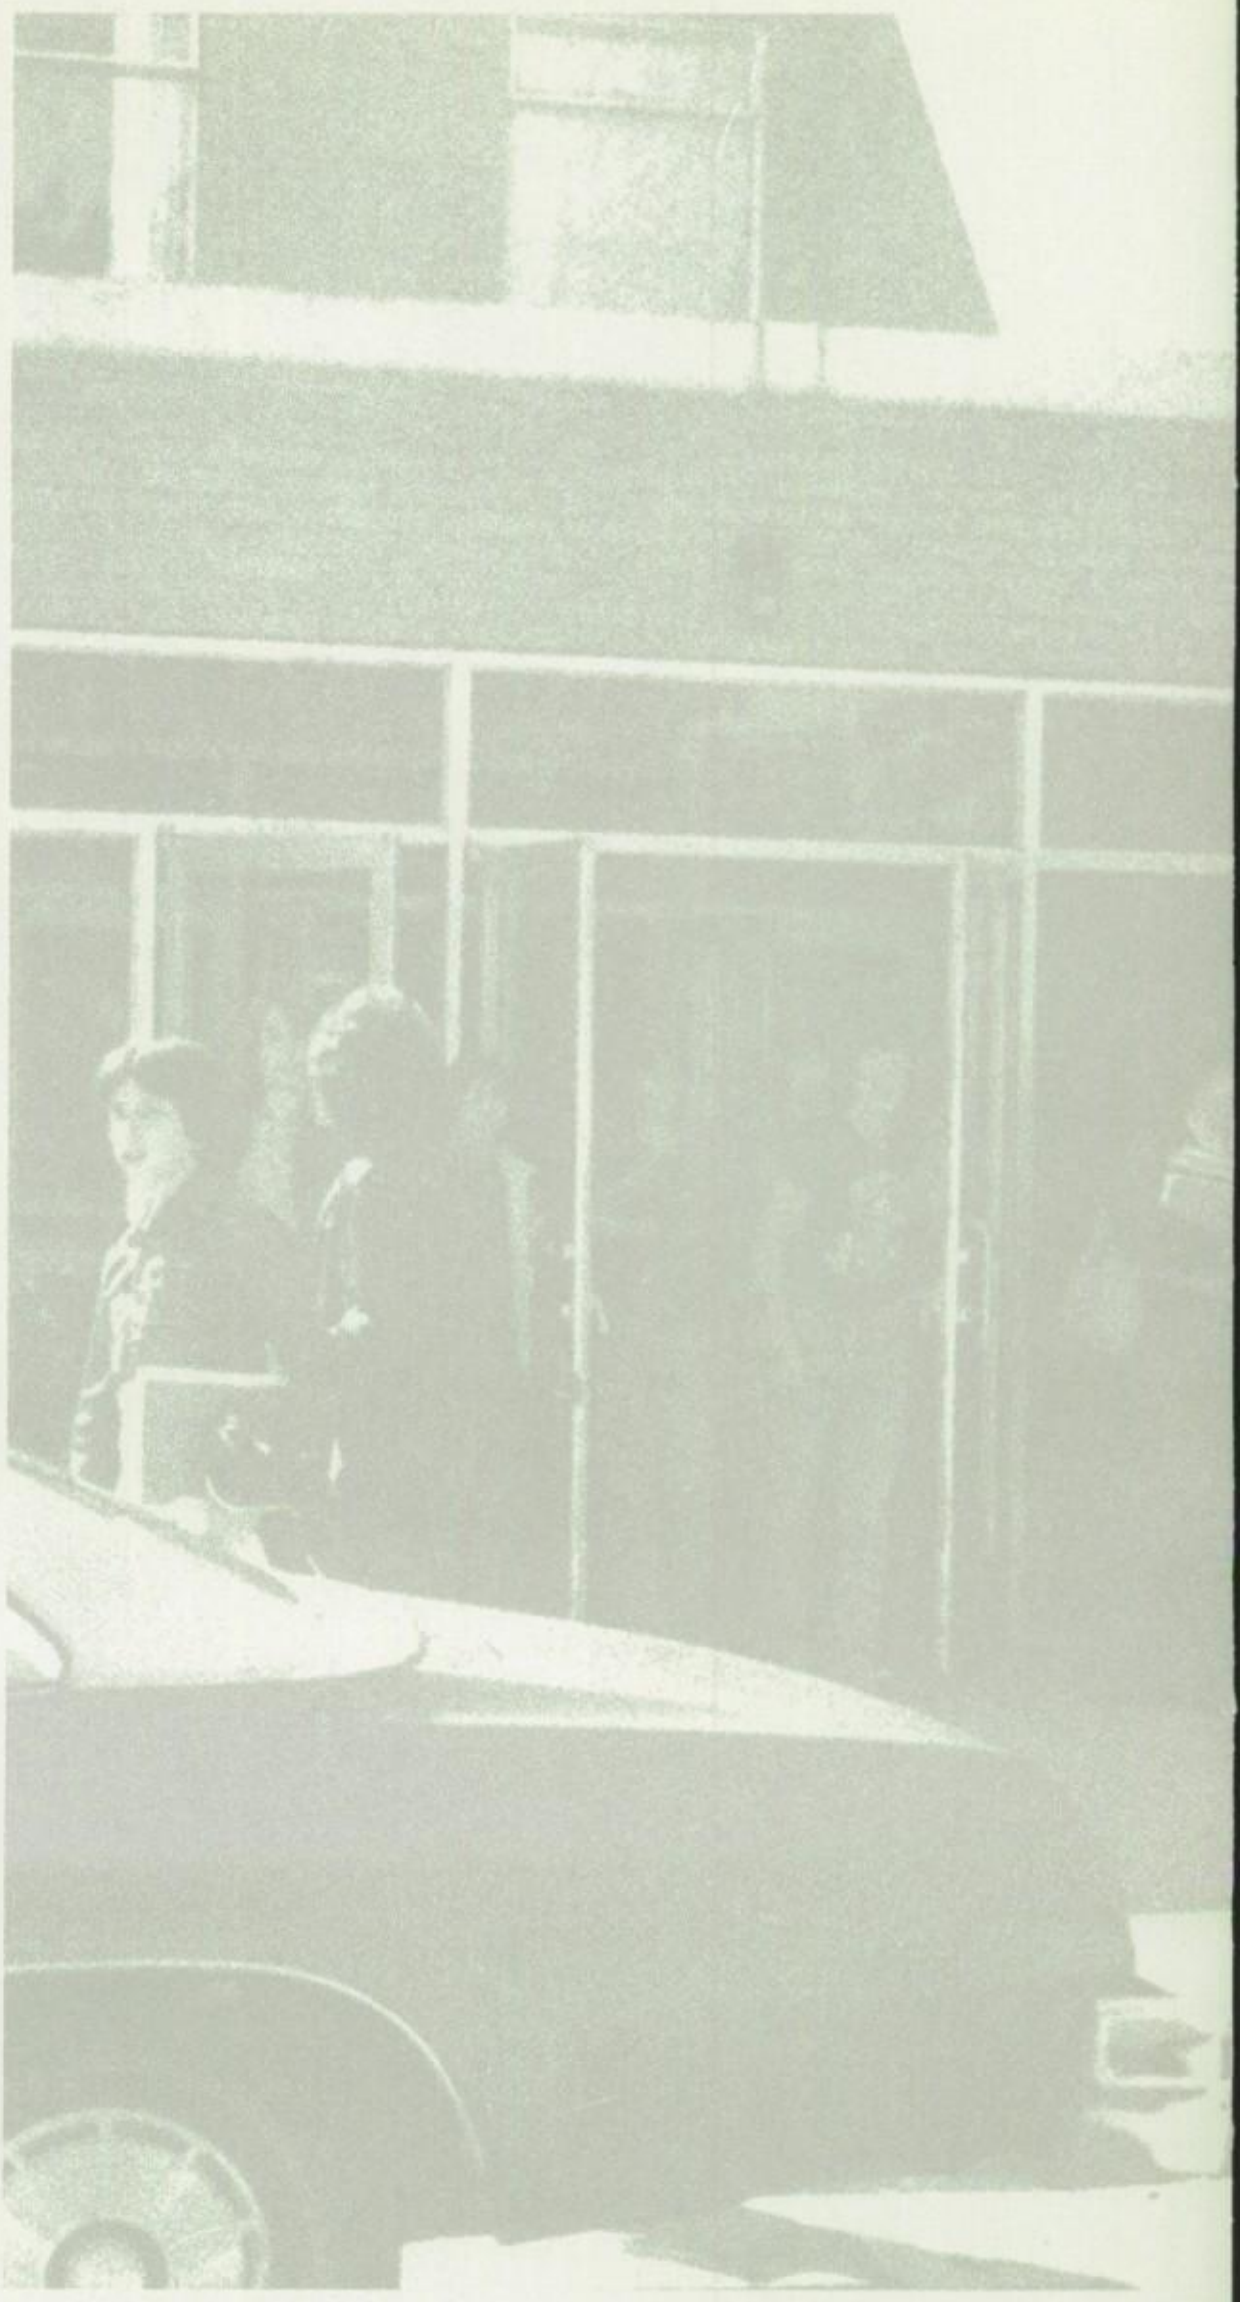
Fantasies we hope that someday

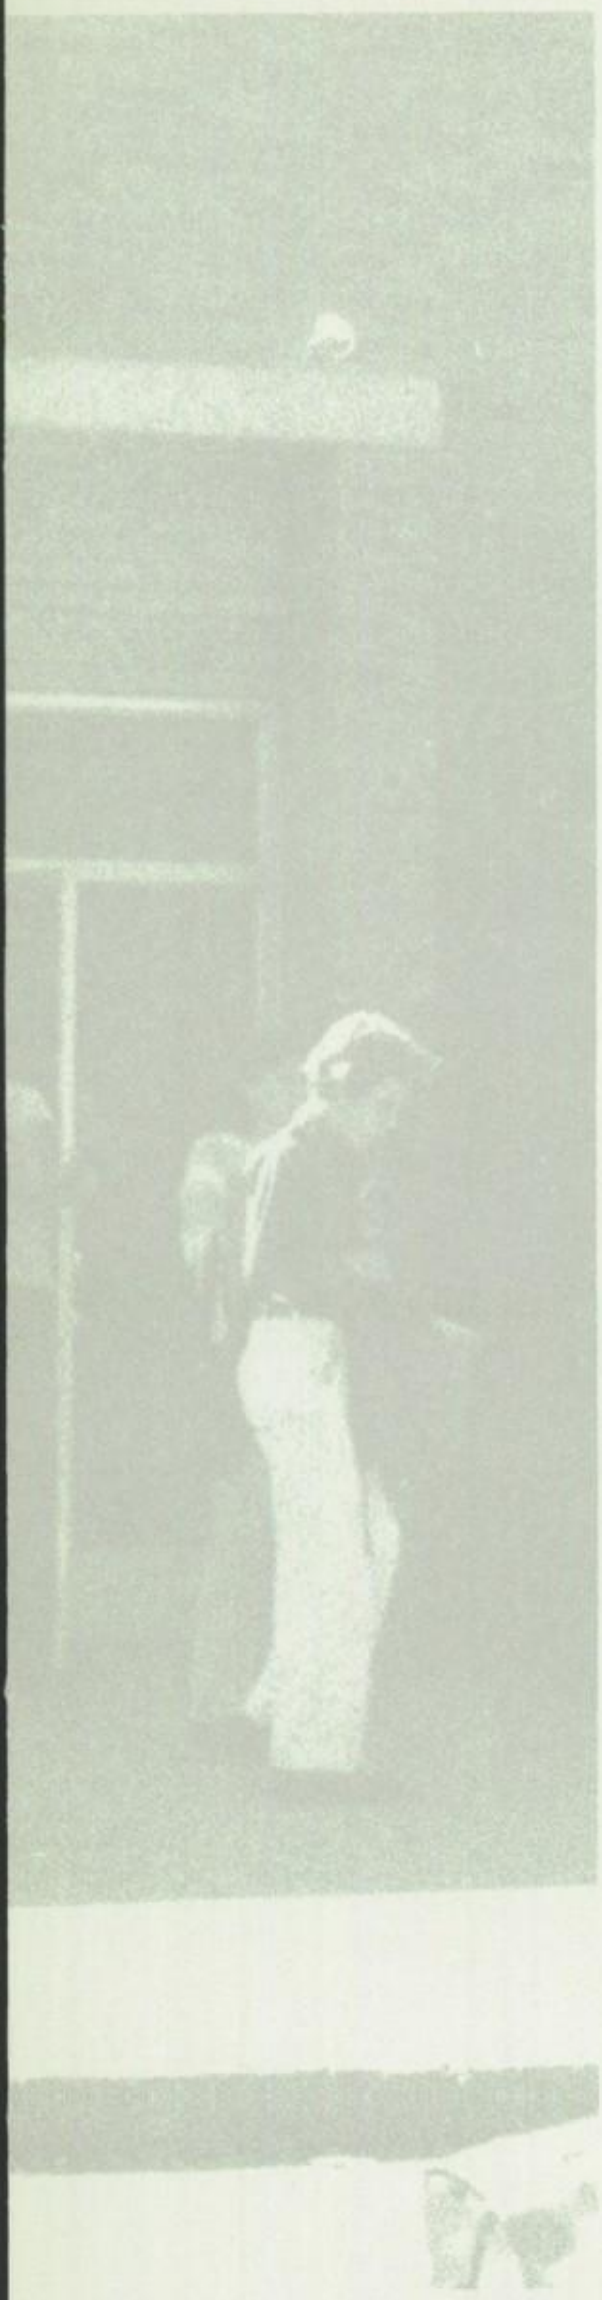
would turn to reality,

hoped that life would work out our way,

be just right for you and me.

Kim Cerepak



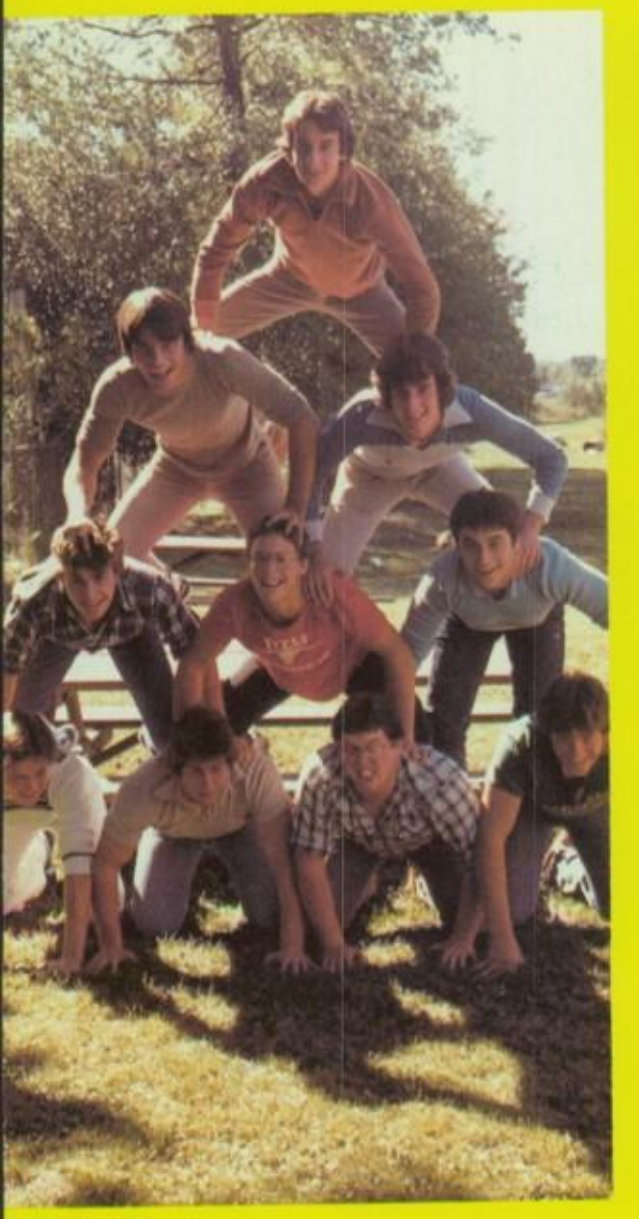


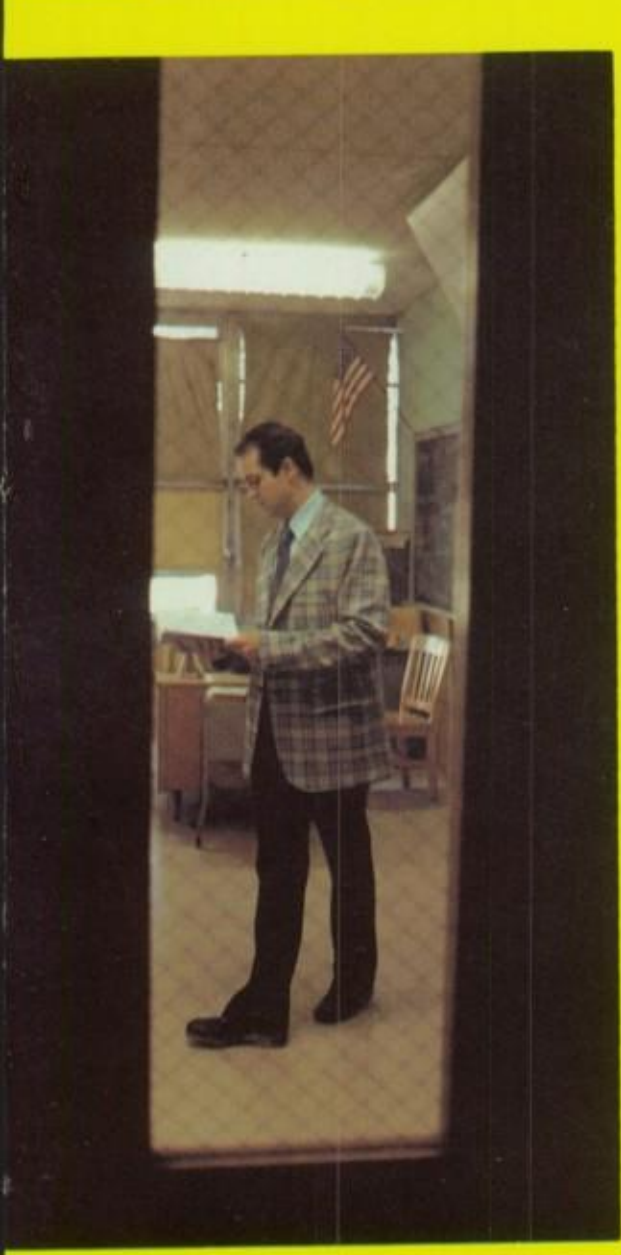
A smile is quite special,
expression from the heart,
an extra warmth from inside
that shows on the outer part!
It comes quite suddenly,
makes me happy to see
that you're feeling good too,
when you smile at me!

Kim Cerepak

Beginning high school
maturing, growing,
together as friends,
meeting new people,
changing, searching
for who you really are,
developing knowledge,
waiting, hoping for
wishes to come true,
understand youuself and
others, opportunity awaits
expansion of dreams.

Kim Cerepak





Now we face a new tomorrow, so much more we've got to do, confidence through years we'd borrow and hope that it would see us through. Smiles we've given one another, tears we've cried and hurt we've shared, help us understand each other, destroy our reasons to be scared, time has passed us by and though our childhood is done, and now it's time to let it go, we know life's just begun, and maybe we will choose our fate, or it may go as willed, we know not what's ahead of us but questions unfulfilled.

Kim Cerepak

What is a home, to you — to me?
Home is the sailor from the stormy foamed sea
Home is the sky to a glittering star
Home is the wanderer — home from afar . . .

Home is the hunter in the jungle or forest
Home is the planter with flowers and florist
Home to an animal is the carefree wild
Home is the mother with her young child.

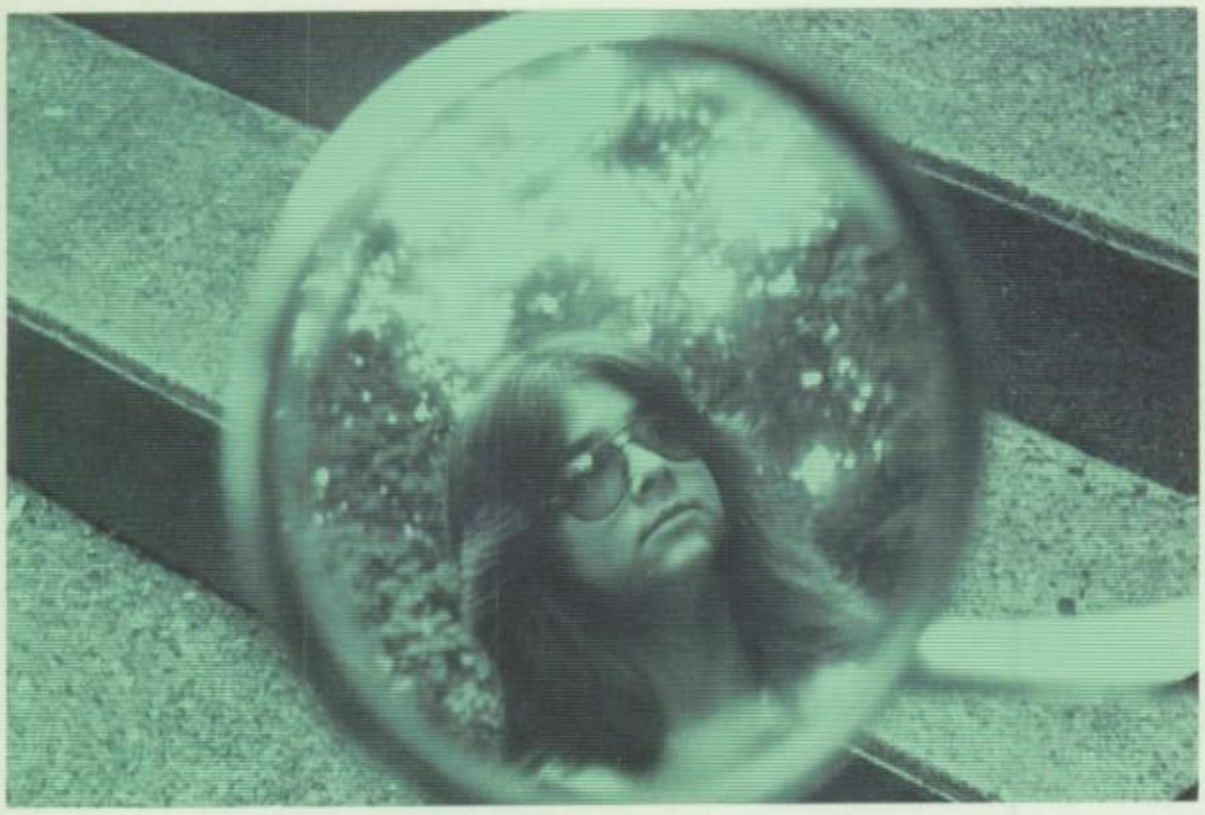
They expect us soon —
Our number is up and the time is
nearing too fast
Some don't want to go, they are holding on
But they are gently led.
Goodbyes are said, a lonely tear is shed
Some are anxious, they want to go
Now — Hurry or we'll be late!

Abbe Shiller

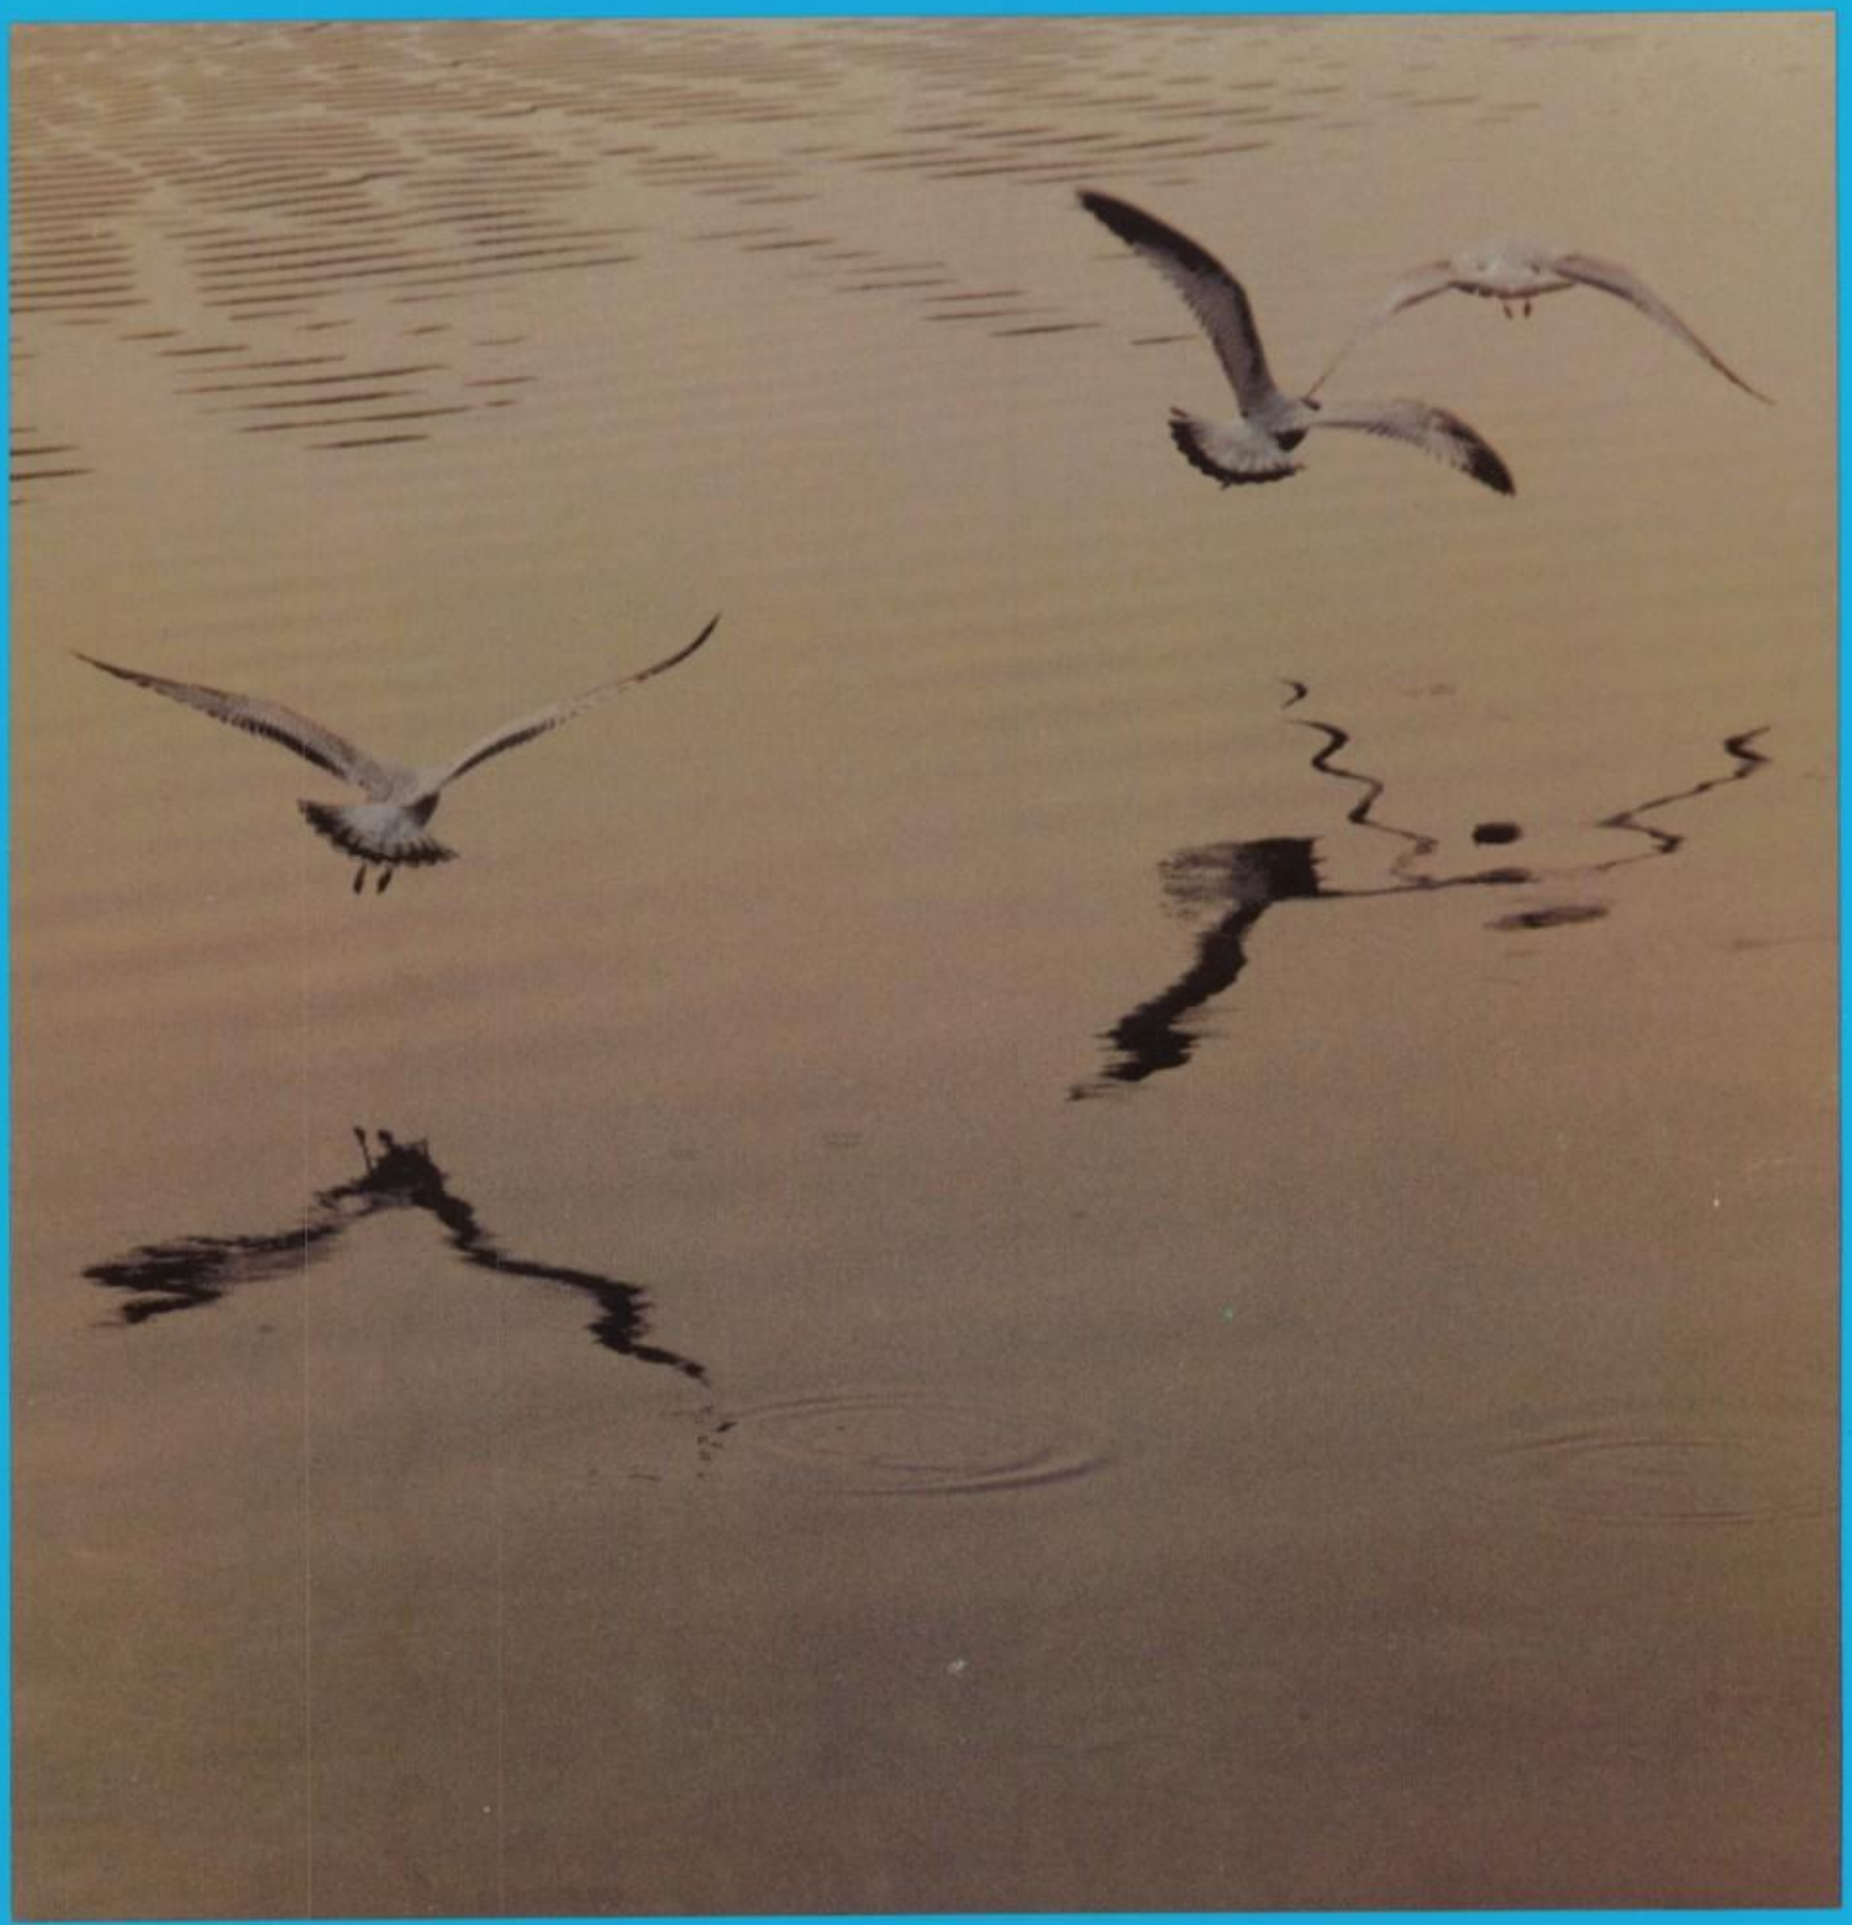


Time is up
We must leave
It's now left only
to us
Happiness love and
success await
Will we make it?
Our best is all we
can do.

Abbe Shiller

The path of life
lies before us —
Focusing our thoughts
to the future,
While expanding the horizons
of our minds.

Cindy Kuzmich



Echoing in the still of the day
high above the sandy shore.
Listen to the worldwide song
the birds are back for spring once more.
They float along a powdered sky,
announcing that they have arrived.
triumphant are their voices now,
another winter they've survived.

They know not of the bitter frost
but only of the shining sun
and crystal rain and colored dew
that's on the ground when day's begun.
They follow sparkling starlit nights
and sunshine's warm and weary ways
but we know they'll be back next year
when back again are summer days.

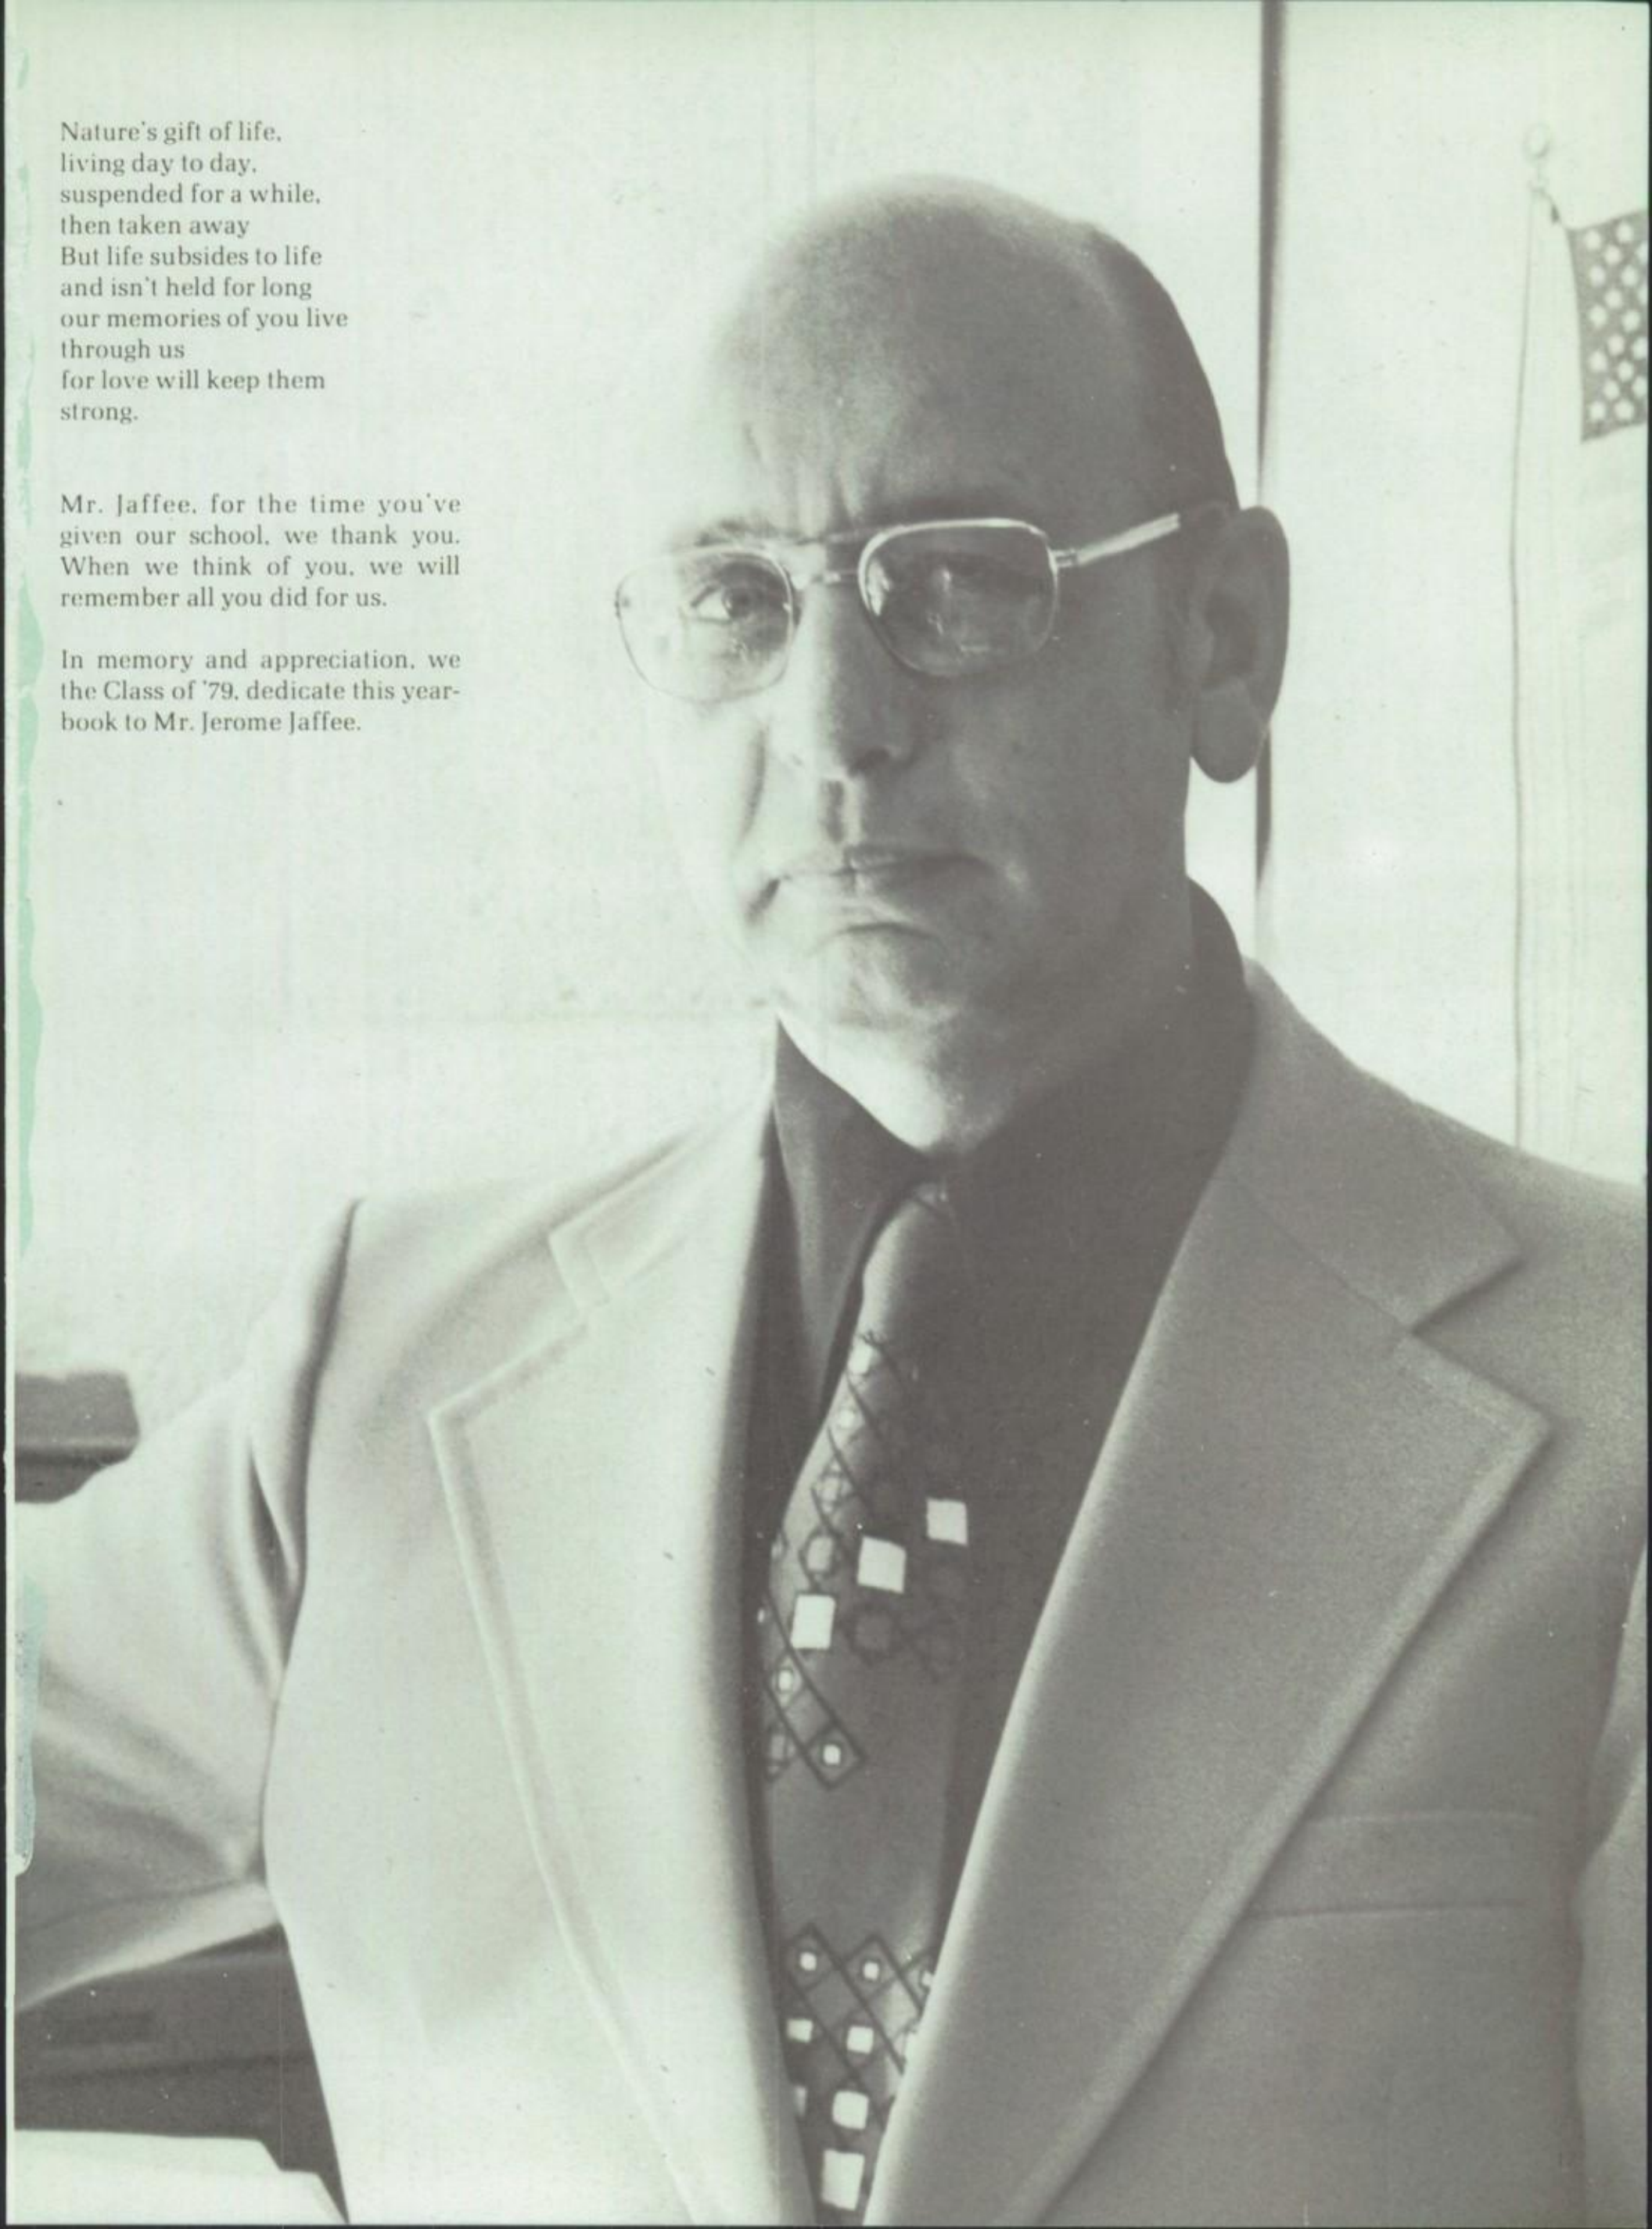
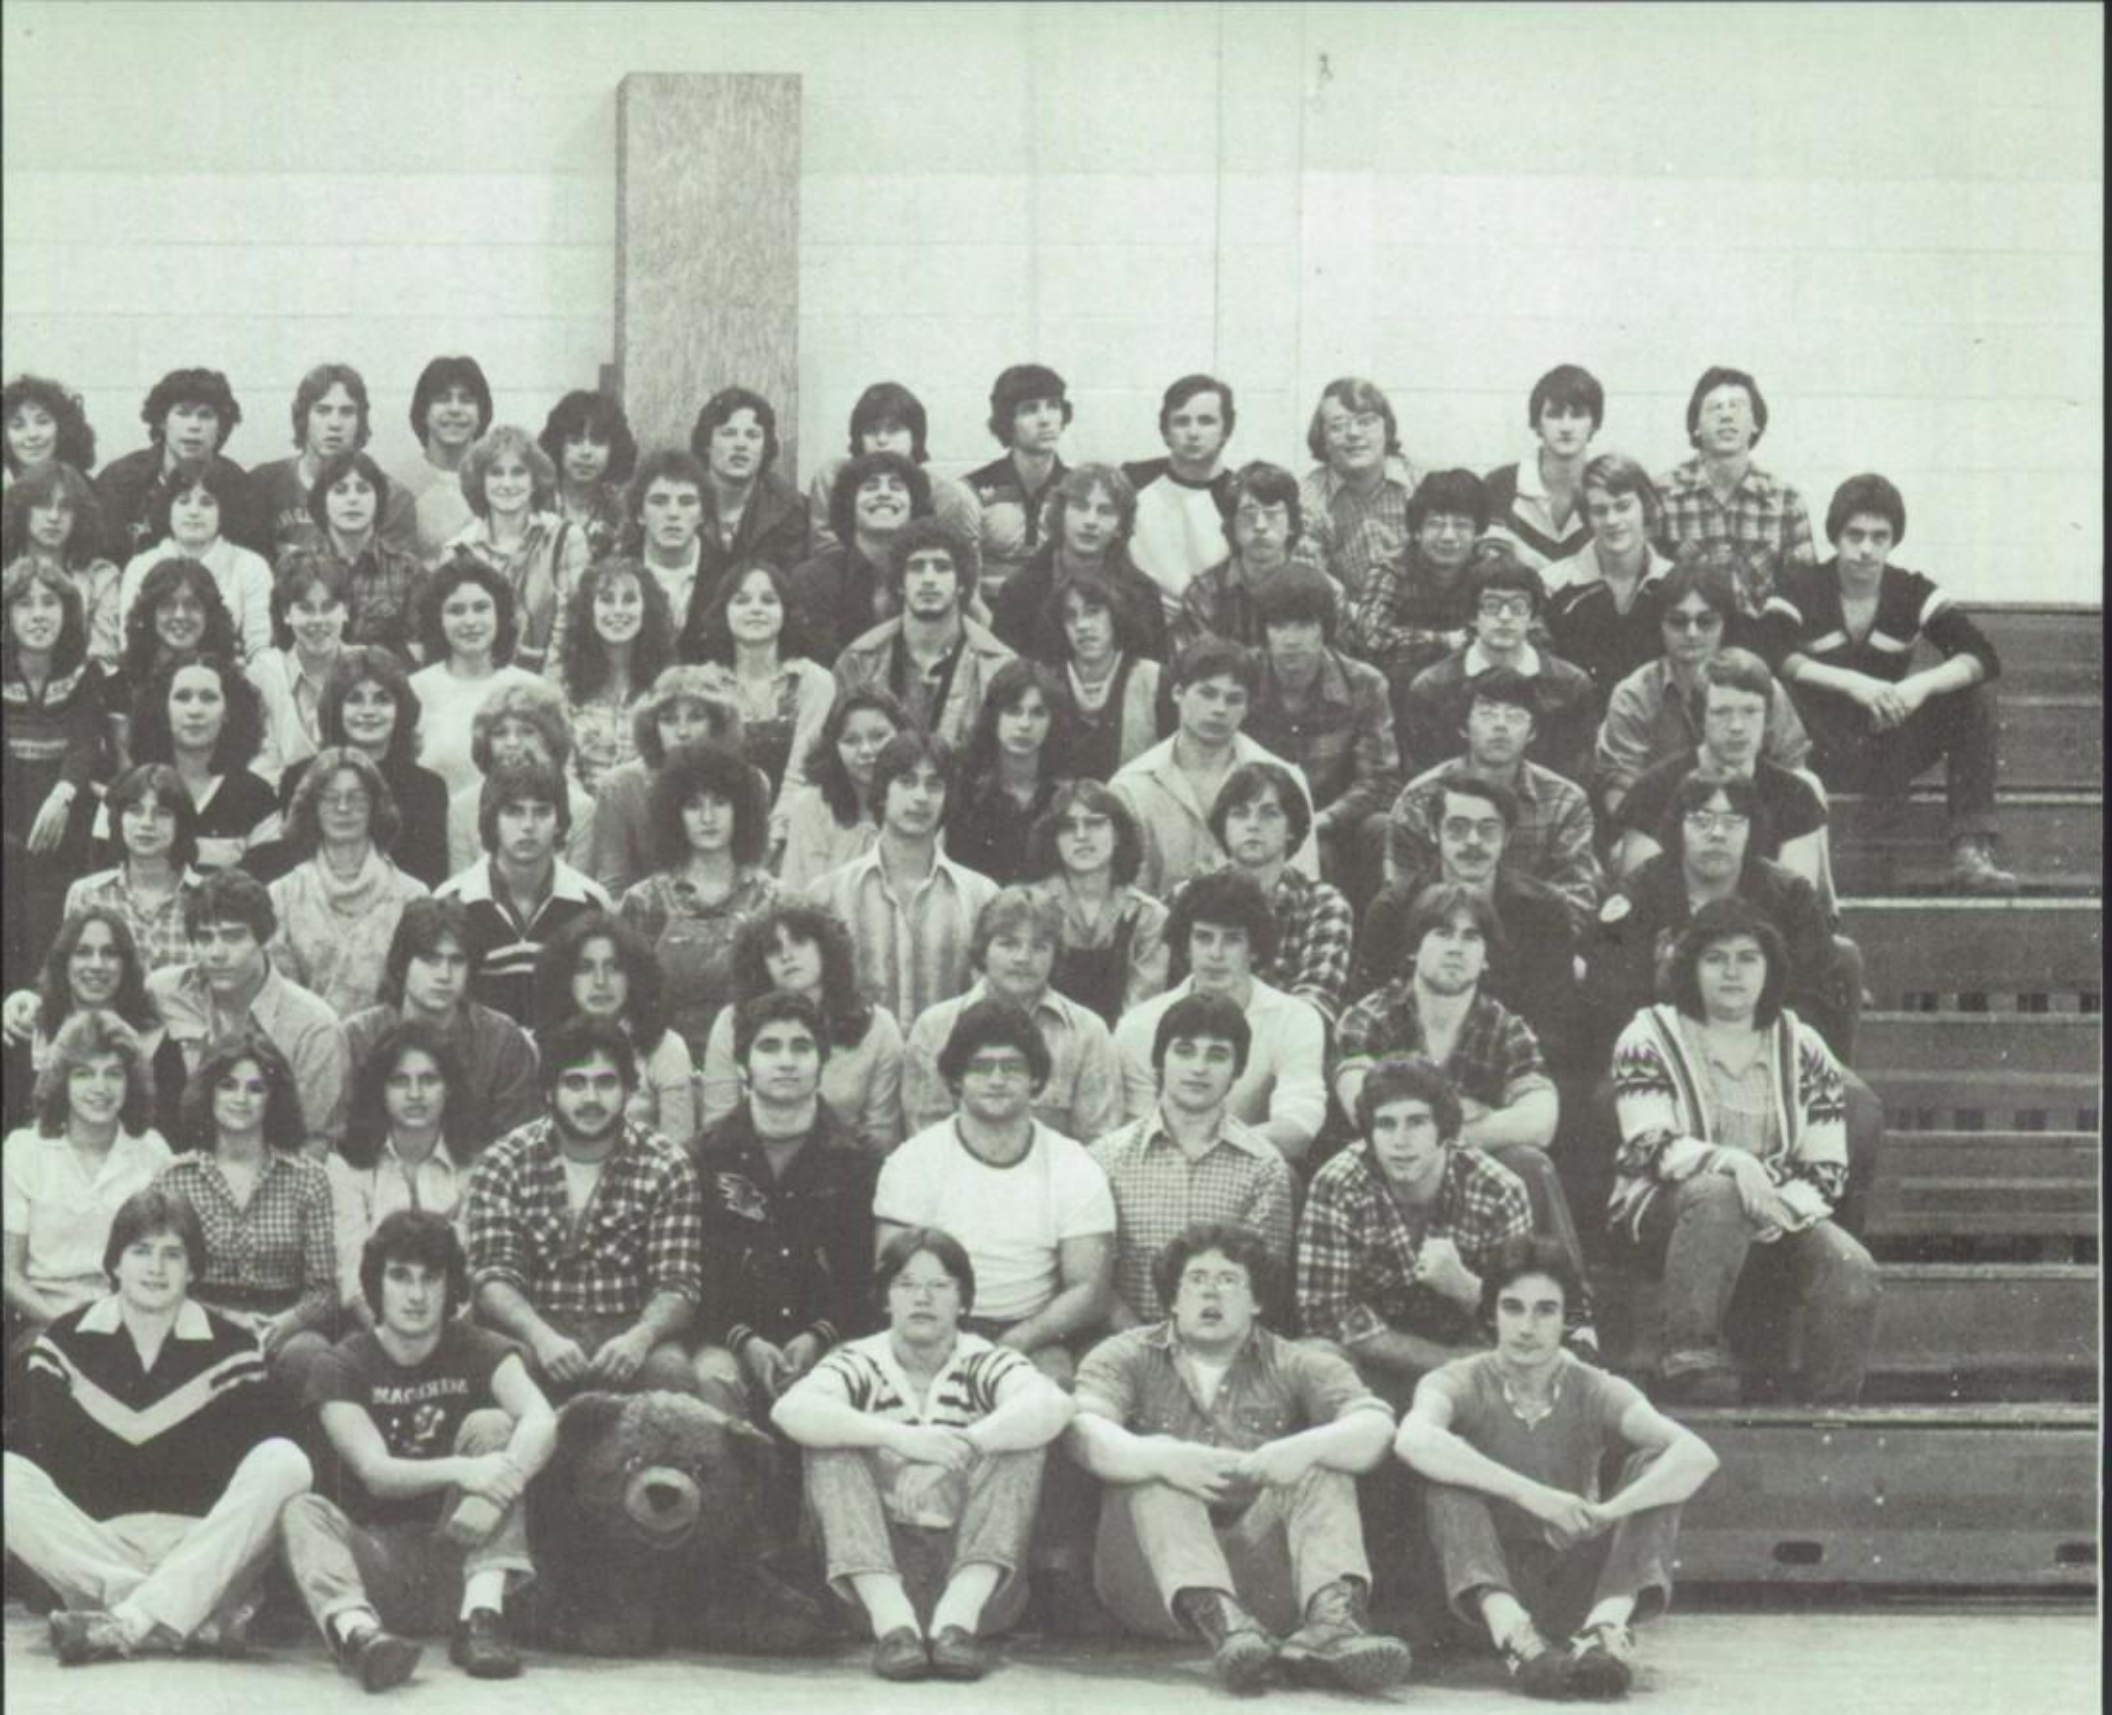
Nature's gift of life,
living day to day,
suspended for a while,
then taken away
But life subsides to life
and isn't held for long
our memories of you live
through us
for love will keep them
strong.

Mr. Jaffee, for the time you've given our school, we thank you. When we think of you, we will remember all you did for us.

In memory and appreciation, we the Class of '79, dedicate this yearbook to Mr. Jerome Jaffee.

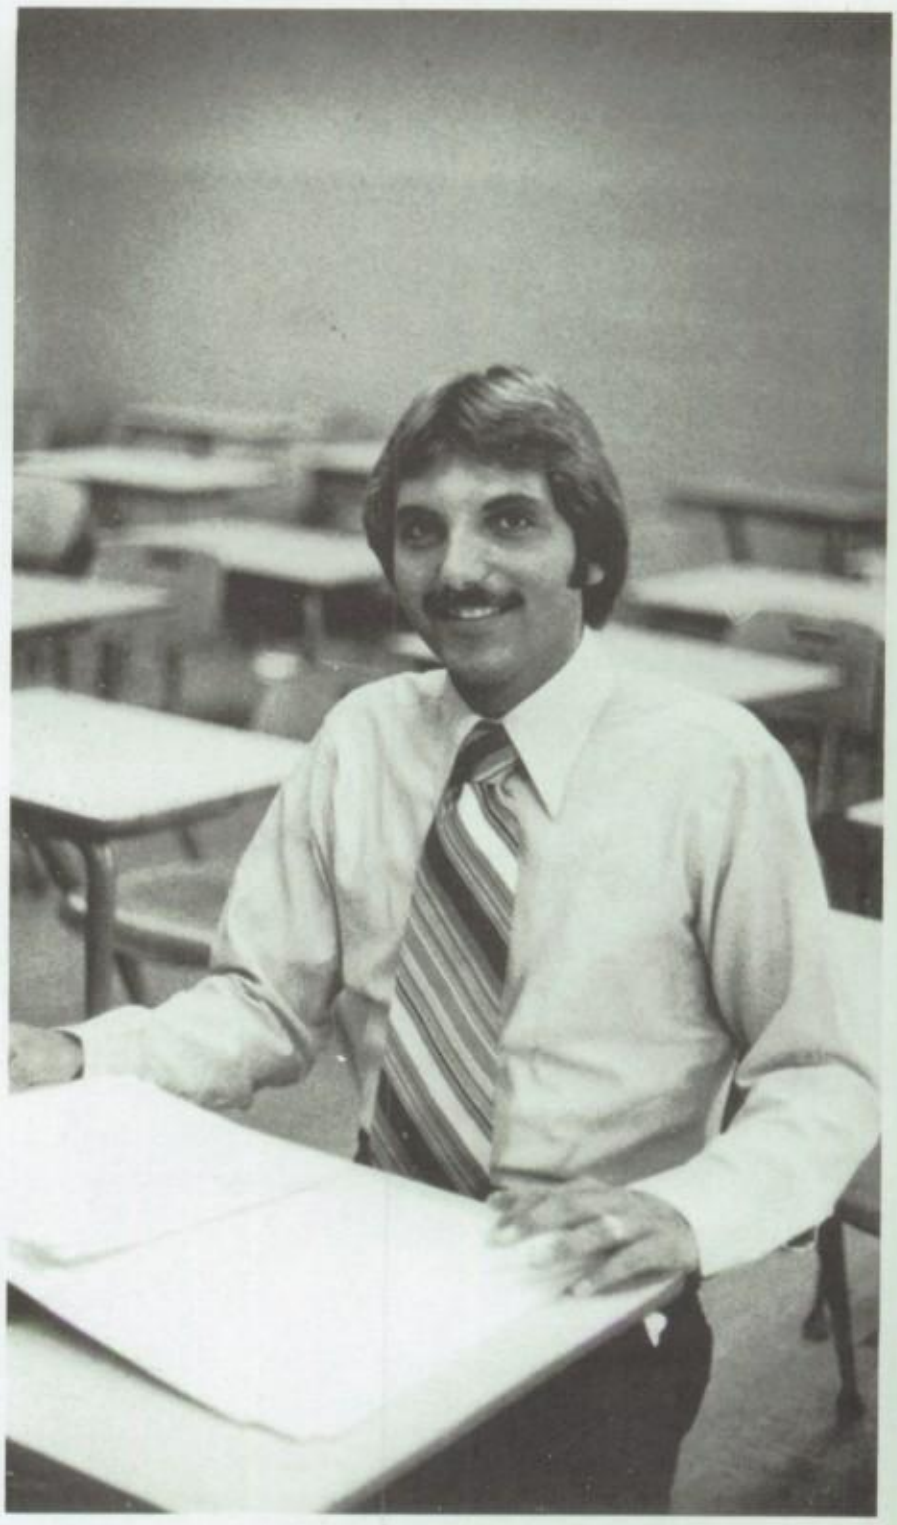




Seniors

A Dedication

Mrs. Ida Luteran



Mr. John DeFranco

During our past years at Saddle Brook High School we have been extremely lucky in having as our advisors two special people who have helped us to become one of the most successful classes in the history of S.B.H.S. Their enthusiasm and concern gave us the initiative to work toward this goal. Whether a fruit sale, car wash or concert they were there making themselves available at any time with their support, advice and friendship. We would like to express our gratitude for all they have done for us. To show our appreciation, we, the Class of '79, dedicate the senior section of this yearbook to our advisors, Mr. John DeFranco and Mrs. Ida Luteran.

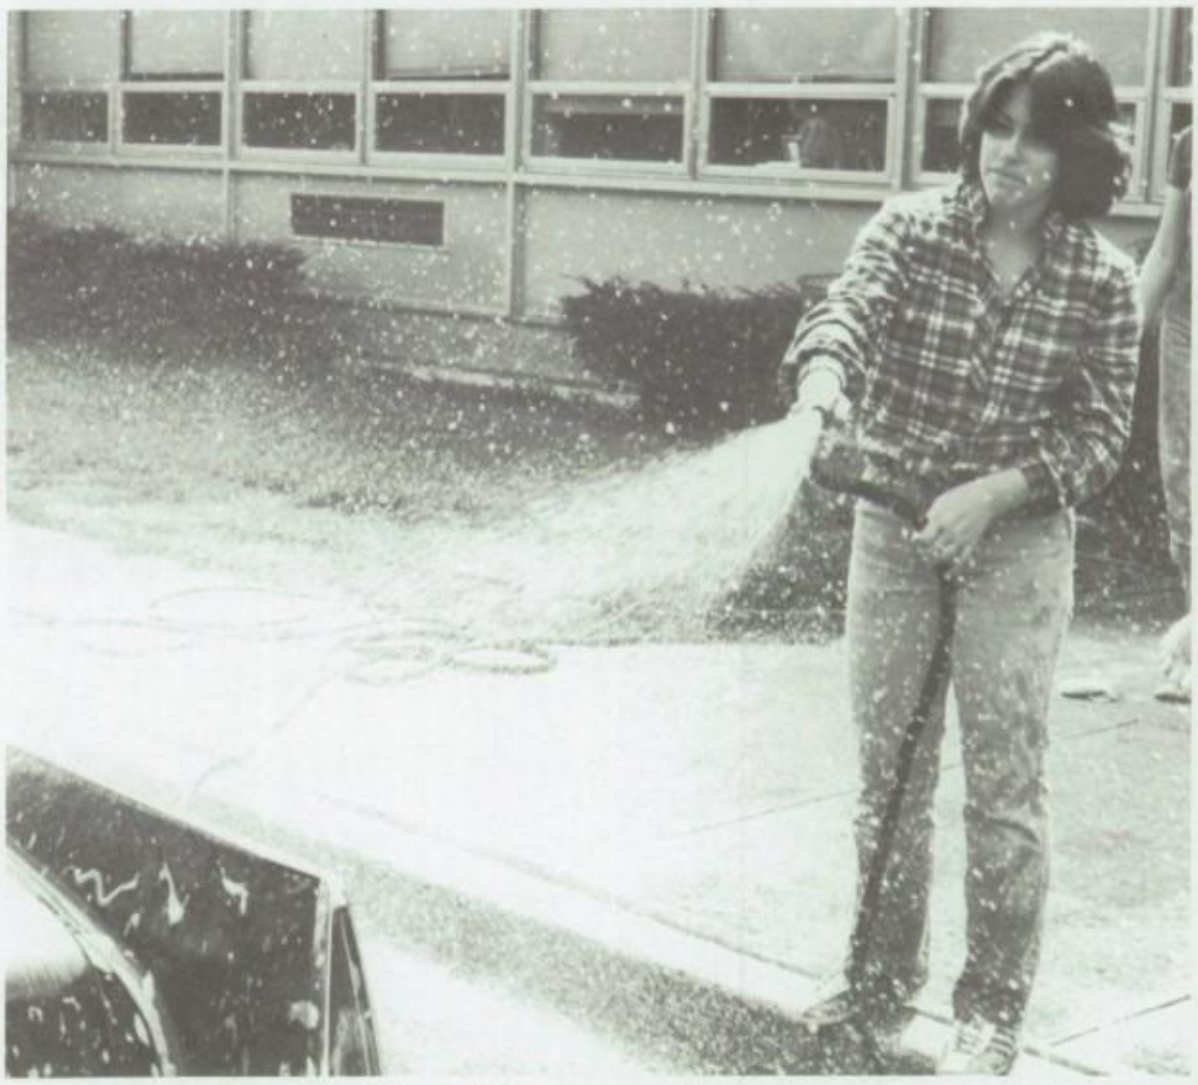
Splish Splash

Ken Guarnaccia uses a little elbow grease.

Lea Boettinger determinately washes a tire.

The senior class sponsored its annual car wash on September 16, 1978. Bringing along soap, sponges, buckets, and cars, the seniors gathered in the parking lot. Working together to get the job done, they raised $84.00 for the class. The highlight of the day was the drenching of all who participated. An interesting day was shared by all.



Chris Liquori brings showers of joy to a dirty car.

I Was Taking a Bath!!

R. Puzzo, J. Lazzaro, E. Oviedo, L. Boettinger demonstrate teamwork.

Waiting for the festivities to begin

G. Timoldi, F. DelDonna and B. Pawlowski seem to be having a good time.

D. Hans, M. Morrone and C. Liquori don't seem to be camera shy.

The Senior Breakfast was held on October 16, 1978. The faculty, along with the entire senior class breakfasted on doughnuts and hot chocolate. The announcement of the senior class polls filled the atmosphere of the breakfast with excitement and entertainment. Everything and everyone together helped in making the breakfast an enjoyable one.

C. Vietez steals a doughnut while the other seniors smile for the camera.

Dig In!

M. Hoydicz. D. Oliver and C. Kuzmich enjoy the excitement of the morning.

L. Chamberlain munches on a doughnut.

The Mystery Becomes

Above: C. Kuzmich, M. Morrone, J. Ur.

On December 21, 1978 a happy group of seniors, armed with baggage, boarded the buses which were to take them to the destination of their "Mystery Trip." Once arriving at Mt. Pocono, Pennsylvania, the seniors spent the day busily engaged in various activities. Some of these activities were: tennis, horseback riding, siwmming, ice-skating, skiing, snowmobiling, pinball, pool, or using the sauna, also taking time out for a luncheon. After dinner, the evening was highlighted by a disco dance which lasted into early morning. Mount Airy Lodge proved to be a fun place for all seniors who attended the trip.

In Memory of Raymond Smith
I cry out in the darkness
of all the loneliness
that anyone has known.
My echoes return
carrying all the tears
shed by anyone who ever cried.
The wind blowing across the waste
of all the loves
that never have been shared.
Moans like a child
who never lived
or a man who never loved.
As the sun of anger
rises over a sea of war
I finally realized
I've seen the world
through the eyes of anyone
who had a dream that died.

A baby with his life so new
You were once that helpless too,
aroused by the busy world around
experienceing each sight and sound.

Then you grew to be a child
awkward, restless, free and wild,
eager to learn, quick to forget,
ignorant to reality yet.

Into teenagers we have grown
longing to be on our own,
searching for knowledge we're thirsting for
yet still too uncertain to open the door.

Independence we'll gain soon, we know.
But are we ready to let go?
We're waiting but we still have fear
our time to part is drawing near.

So memories I leave you with, my friend
Remember me until the end
and I know there'll be a someday when
we'll meet and share our lives again.

Friends are special to us all.
Even the ones we met walking the hall.
The ones that we consider close,
Don't laugh at you when another makes a joke.
Now we have to leave these special few.
And go to make our lives brand new.

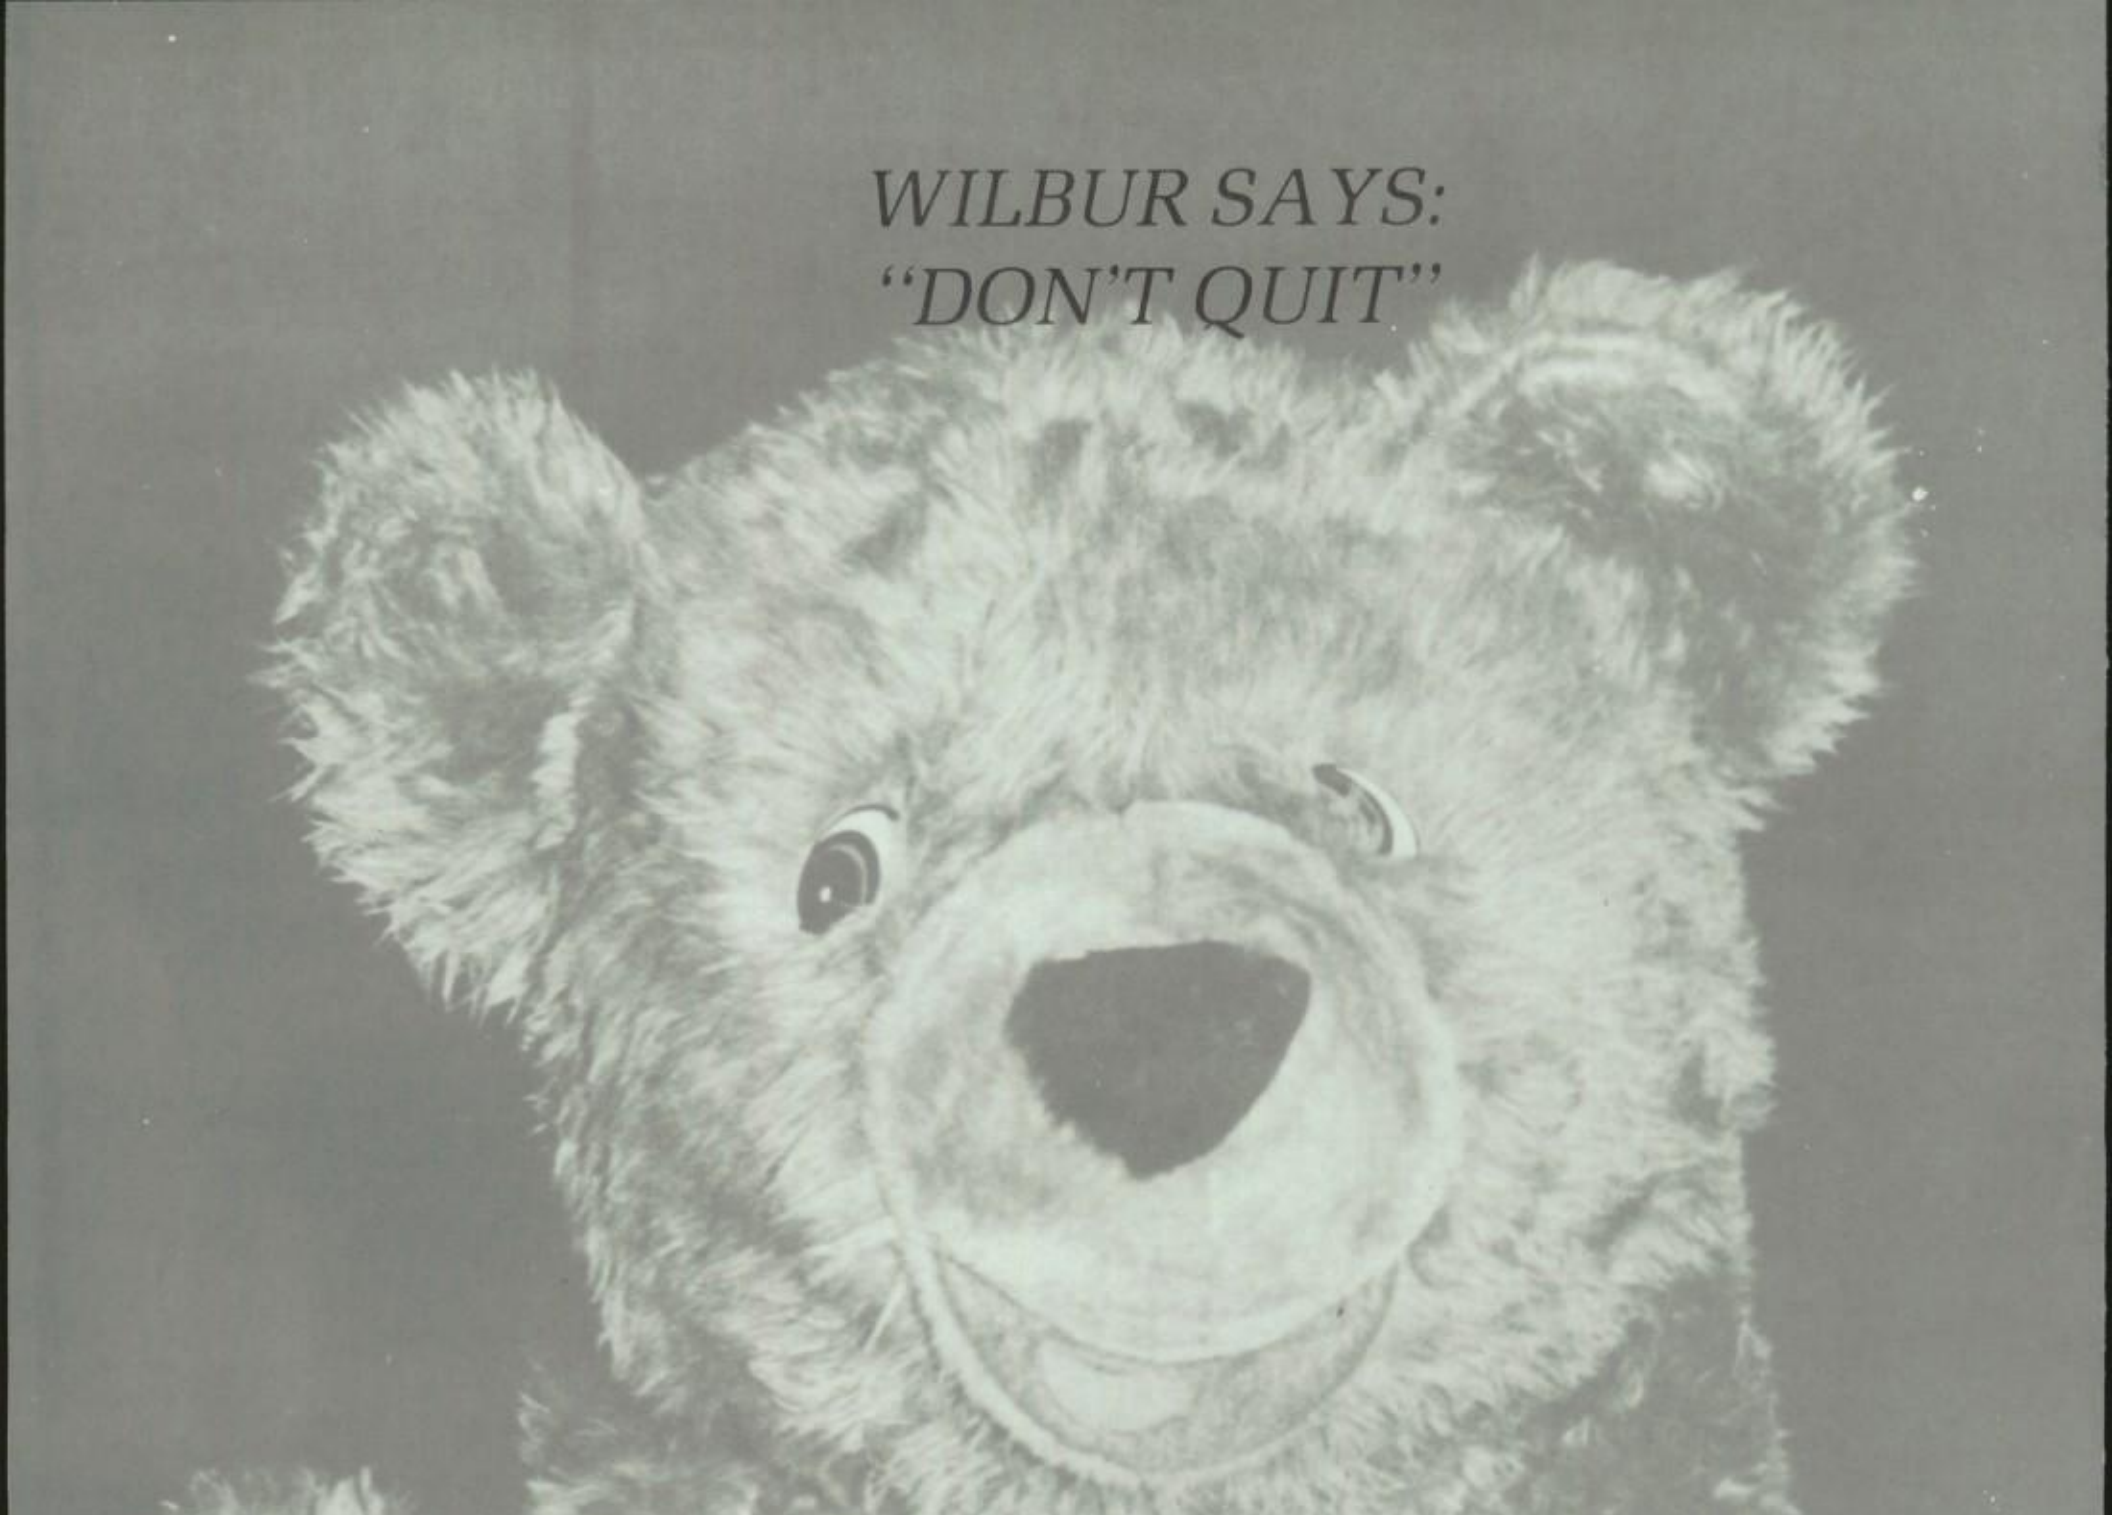
WILBUR SAYS: "DON'T QUIT"



When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit —
Rest if you must, but don't you quit.

Life is queer with its twists and turns
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don't give up though the pace seems slow —
You may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.

Success is failure turned inside out —
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit, —
It's when things seem worst that you mustn't quit.

Principal's Message

Members of the Class of 1979,

Throughout the past four years, there have been many fulfilling educational and social experiences that will remain with you for the rest of your life.

We hope we have provided the opportunity to develop a realistic attitude towards life and people which will permit you to function with an empathy towards all human beings, not expecting too much or too little of them.

We appreciate your contribution to the high school and wish you the very best in your future endeavors.

"Life itself can't give me joy
Unless I really will it;
Life just gives me time and space,
It's up to me to fill it."

Sincerely,
Jane Moffet

The Class of 1980 has had a very successful junior year in both finances and experiences. A very substantial treasury has been the result of numerous activities including the presentation of the movie, "The Return of the Pink Panther," a one week candle sale and a very spirited "Battle of the Classes." The Class of '80 also received their class rings at the much enjoyed Junior Ring Breakfast.

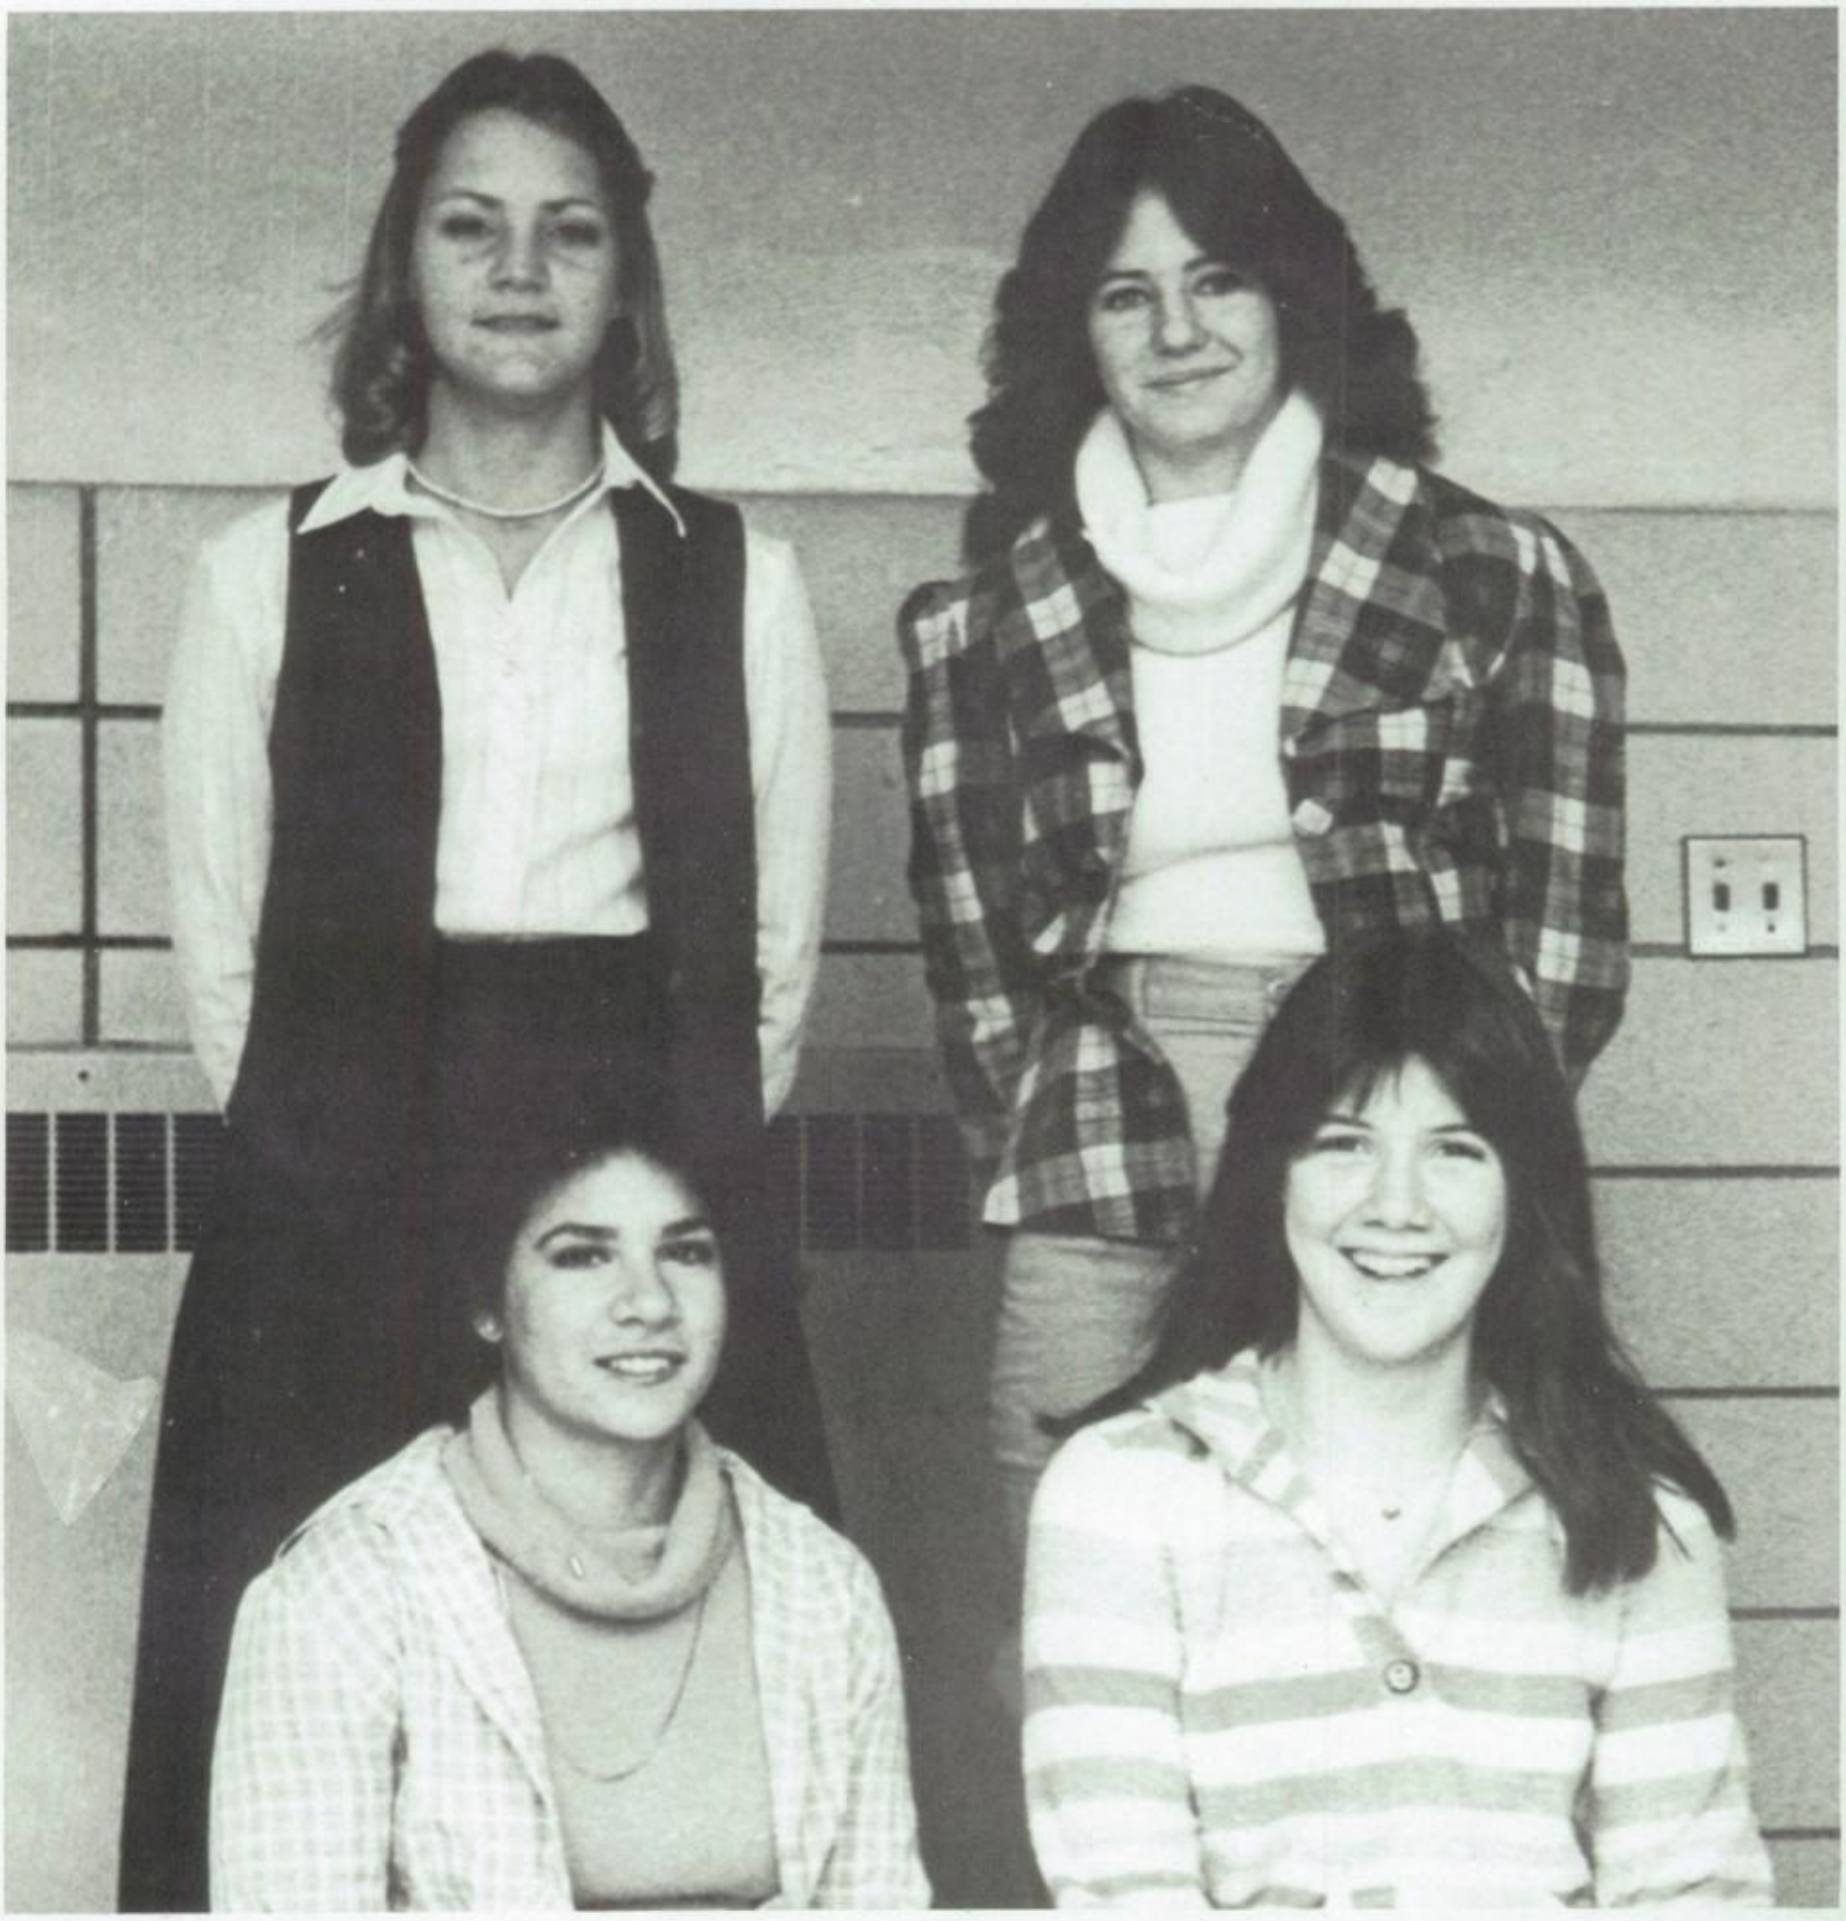
Our Future Seniors!



The Sophomores started off their successful year by participating in the annual Flea Market. Their efforts proved to be profitable. Later, the class of '81 sponsored a cookie sale which also boosted the class treasury. Some other events of the year were a plant and corsage sale and a June car wash. But, the most memorable happening of this Sophomore year was the ordering of class rings. Next year we hope to have an even more successful year as we get one year closer to graduation.

The class of '82 had a very successful freshman year. Their sole fund raiser for the year was a basketball game with SBHS faculty playing against the Major League All Stars. As a result of this event, the Freshman class raised over $400, which got their treasury off to a good start. We are looking forward to three more successful years at SBHS.

The difference between a school with just average spirit and involvement and one with above average qualities can lie in the hands of one person. S.B.H.S. is proud to [illegible] leading our high school activities. Although to explain Mr. Kritzer's involvement with the students may be that he is an alumnis of Saddle Brook High School's Class of 1972. After attending various jobs and finishing college, Mr. Kritzer applied for and finally received his present job at S.B.H.S. Besides coordinating student activities, Mr. Kritzer also is head of A.V.A. and the Sports Club. Some of the activities Mr. Kritzer has arranged are shown on the next page. From top right to lower left they include: The Crackerjacks, an internationally acclaimed barbershop quartet; the Homecoming dance inviting seniors of past classes to a dance and the Turkey Trot, a two mile race won by Mr. Bargiel who received the 11 lb. turkey. So if you are ever in the dark about what's happening at S.B.H.S., go to the S.A.R., check with Fred Kritzer and get involved!

Variety was definitely not lacking in the halls and classrooms of S.B.H.S. on October 31st. Costumes ranged from delicious M & M's (the S.B.H.S. cheerleaders) to an ancient Roman (Ralph Giacamarro). At the end of the day, most of the students in costume gathered in the gym for pictures and a final judging. The 1st place contest winners were Ralph Giacamarro's and Joanne LiCata's Caesar and Cleopatra. Second place was taken by a chocolate kiss containing Kathy Falk (Pictured Below). The trick-or treating spirit has definitely not left the hearts of the many students who made this 3rd annual Halloween contest a success.

Class of '80 Officially Upperclassmen

The members of the class of 1980 officially took their place among the ranks of the upperclassmen after they received their school rings at their class breakfast on Oct. 26. Vibrant juniors enjoyed bagels, donuts, and hot chocolate while waiting to receive their class rings. Afterwards, most Juniors traditionally had their rings turned 80 times by fellow classmates for luck. Even though all the rings were different, each ring bore the year of their class and the school's symbol of unity and strength, the falcon.

The Voice of the Students

This year's Student Council, under the advisorship of Mr. William Hayden, has made many changes and contributions to the high school. One of their more important achievements was the electing of a Grievance Committee. Through this committee, improvements such as, making the school parking lot safer and allowing the students to voice their opinions about school policies have been made.

The Student Council held a car wash to raise money for a foster child whom they are currently sponsoring. They are already planning next years events, with elections scheduled for June.

The Falcon Flyer; Keeping Us Informed

The "Falcon Flyer," the official school newspaper, keeps the student body as well as the faculty up to date on the big stories concerning S.B.H.S. Under the leadership of Ms. Prelich and Ms. Cori, the Flyer staff collects and reports the important news and sports stories which occur at the high school. Editorials, student spotlights, and the "You're really something if . . ." columns make reading more enjoyable. So if you want to see S.B.H.S. at a glance, pick up a copy of the "Falcon Flyer."

Co-advisors Ms. Cori and Mrs. Prelich

An Alternative Experience

Above and Below: Participants and coordinators of the Alternate School.

A smaller, more intimate atmosphere where students can learn through unstructured courses exists at the Alternate School. The students work as hard as the students in the High School but work more independently. Graduating through the Alternate School this year are Laurie DelliVenneri, Sue Tinger, Lisa Falato, Carol Gayer, Bob Havecost, Peggy Louis, Rona Fuchs, Mike Mania, and Brian Gillen.

The coordinators of the program are Tony Vallese (Not Shown) and Gladys Schachere. The rest of the staff includes Pat Heaney, Greg Cahayla, Bill Brown (Not Shown) and Fred Kritzer (Not Shown).

Saddle Brook High School's marching band would not be complete without the bright and colorful band front. Making up the front are color guards, majorettes, the rifle squad and the honor squad, all of which work especially everyday after school to perfect their Saturday halftime performance. These determined girls are kept under the supervision of Mrs. Carol Stauss. They participate in all band activities and contribute much of their time to making the band and the front a single workable unit.

The S. B. H. S. band was needed more this year than ever to help give spirit to our football games which were all away. The routine started to the sound of "New World" followed by "Daybreak", "Old Glory" and finally "Bellavia." This year's extra in the routine involved streamers revolving around the American flag held by Tina Montagna. Our band played in the Herald News Band Festival and took 2nd place in a competition held in Old Bridge, New Jersey. Janine Burnham also took the 1st place trophy in Drum major competition. The marching band would like to thank student teacher Alyn Heim for assisting Mr. DiNello in preparing the band for the competition.

Our concert band this year has had about the largest turnout yet with 40 new freshmen bringing the total number of musicians to almost 100. All those in the band are listed above in the reproduced program from the winter concert held on March 2nd. At this concert, under the direction of Sal DiNello, the band performed the 1812 Overture. This especially difficult piece (graded 6 on a scale of 1 to 6) was made even more impressive by the simulated cannon shots at the piece's finale. The concert band would like to thank Mr. DiNello for his superb conducting and would like to wish the graduating seniors good luck in the future.

Fourteen In Harmony

Below: Choral Director Charles Broadhurst with Sue Latrenta

The Choraleers are the select group from the Choir. Numbering 14, this year, they are what would be called the Choral representitives of the Saddle Brook Choral Dept. The Choraleers perform many times during the school year for various functions, such as the Hospital, the Womens' Society, Paramus Park, Riverside Square, and the P.T.A.

Practice is Hard, Practice is Boring but . . .

Above: Mr. Broadhurst with the girls glee club.

Below: L. McAleese, P. Ossi, D. Rovelli.

The music department of any school is never complete without the chorus. Mr. Broadhurst, the choral director will stage two concerts, one in the winter, and one in the spring. The chorus holds practice everyday, splitting up the group into a girls' glee club and a boys' glee club. Those in the chorus who sing especially well may be chosen to sing with the Choraleers, who will be discussed later in the book. Mr. Broadhurst also helps with Senior Play rehearsal.

"All the World's a Stage"

Guess just about everybody at sometime or another has that urge to imitate those in the movies. The drama club may give a person just that chance. With Pat Miller and Dolores Pizzano advising, anyone who wants to can take part in a theatrical production.

The first drama club activity of the year was their rendition of "A Christmas Carol." This is the club's first year at S.B.H.S. and already the membership includes from left to right: advisor Dolores Pissano, Janine Burnham, Don Filicetti, Diane Dispoto, Mary Gasior, and Ken Bill.

The year's activities for the Latin Club opened with the freshman welcoming party on Sept. 9. During the year the organization has scheduled various activities including Halloween and Christmas parties with the Spanish Club. All members are required to pay one dollar for the year and may participate in fund raising activities. These activities include such things as the raffling of a chocolate Santa Claus and several Raggedy Ann dolls, generously donated by Chris Alexander's mother.

Juniors Tapped May 17th

The National Honor Society (pictured below) had a very successful year. Events for the year included: a December tapping of Seniors, a pretzel sale fund raiser which ran from December to March, Junior tappings in May, and an Induction Ceremony held in June. The officers were John Bianci — President, Dave Gutwetter — Vice-President, Gina Del Casale — Treasurer, and Cindy Kuzmich — Secretary. The Advisors of the society are Mrs. D. Tenhoeve and Mrs. B. Yarosz.

Skiers Challenge the Slopes!

Saddle Brook skiers hit the Great Gorge-Vernon Valley for another snowy season. Although ice and extremely cold termperatures were a problem, we made it through the five Thursdays on the slopes without any major injuries.

Over thirty students, many of them first year skiers, are looking forward to a snowy 1980.

Positive attitudes, exceptionally high spirits and people who care make for a school full of unity and integrity. These same 3 ideas also stand for the "pep" in pep rally. A blaring band and the cries of the cheerleaders filled the gym at 2:00 on Sept. 22. Varsity and J.V. winter teams were also introduced to the student body for the first time this year. S.B.H.S.'s traditional black ball was won by the class which lacked the most spirit, in this case, the juniors. This "treasured" trophy remained with the juniors until the sophomore class earned it on October 27.

Seniors Are Number One!!

The Battle of the Classes '79 was held on March 29, 1979. Students from each class engaged each other in fierce competition in "Almost Anything Goes" fashion. Events included a banana eating contest, football throw, relay race, hula-hoop toss, etc. After three hours of thrill packed intense competition, the senior class finished victorious. This fund raising event was sponsored by the class of 1980, which also provided the winning seniors with an ice cream party.

AND THE WINNER . . .

Class of 1980 advisor Mrs. Shelley McGarry gave instructions to the balloon-busting contestants.

"Oh Boy is this cold" K. Guarnaccia competed in the ICE MELT Competition.

Rockin Round the Clock at S.B.H.S.

Though two decades separate the youth of the 70's from those of the 50's, the poodle skirts, bobby socks, and D.A.'s have returned to the halls of S.B.H.A. On March 31 students and faculty were invited to dress up in some of the traditional get-up's common in that era. Pictured here are some of the best of those costumes.

The Student Exchange Committee started off their year's activities by sponsoring a flea market in October. The money earned from the flea market was used for the 10th annual Latin American workshop. 50 open door students spent a long weekend in Saddle Brook homes. Kara O'Conner hosted Paulo Costa of Sao Paulo, Brazil for 10 weeks. On March 9, four Open Door students arrived in Saddle Brook for a three week visit. Various activities are planned for the four students and their hosts including trips to the United Nations, the Statue of Liberty, the Citicorp Center, and the Iron Bound section of Newark. S.E.C. officers are: co-chairpersons Gina DelCasale and Billy O'Donnell, secretary Mary Morrone, treasurer Rich Demboske, and advisor Mr. Bliss.

A lone bird sings
his song of sorrow,
while soaring in the sky.
Afraid of what
he'll find tomorrow,
He is the same as I
For things never seem
to stay the same,
they change from day to day.
The problems and
the tears remain,
As the lone bird flies away.

Our lives are hands
We need to hold
And cling onto
Till we grow old.

But the one we held
From our start
May change as so
May change the heart.

My friends, for me
Your hands were there
Through my high school days
And the times we'd share.

Now we're parting
Yet alone we'll never be.
You'll find a new hand to hold
When you set mine free.

Kim Cerepak

Life goes on;
We get older and more mature,
Learning new things,
And learning from our mistakes,
We experience sad and happy times,
Friends are made
and lost,
Each enhancing our life.

Walking along the beach;
Hearing the roaring of the
waves crashing against
the shore;
Feeling the coolness of the
summer breeze;
Hearing the cries of
seagulls,
and the flapping
of their wings;
the sand going between
my toes;
I often wished
that this could
last forever.

Night fades away,
The coming day is here.
All bodies are asleep . . .
  asleep with no fear.

Dawn comes along —
  She comes in stride,
She rises in elegance;
  also with pride.

Her colors are yellow, orange, and red
She shines through your window —
  She shines on your bed.

Then she is here for awhile to stay,
And now you awake to start a new day!

Cheryl Schwartzberg

Looking back on how my life has been,
My eyes see nothing.
My heart sees all.
From frightened child to independent young girl,
I have learned to experience
What I couldn't before.
I realize now just how much I've gained,
How important I am,
How wonderful you are.
The love we share so freely and openly,
The faith we have in ourselves and each other,
The peace and contentment we find in each other's company,
What more could I ask for?

Dawn Oliver

Faraway
A whispering breeze
Envelopes a quiet soul
The waves fall in a soft, constant rhythm
The lonely sand
Creates a peacefulness; a calm
The sun rays beat down; warm
and comforting
Time seems to stand still
while seagulls sing an echoing song.

Life . . .
Forever changing, never remaining the same
One day it seems nothing can get any better,
Then everything changes, nothing is as it was.
Close friends of yesterday just aren't anymore,
And suddenly you feel things can't get any worse.
But do you just give up totally and stop trying?
Does it really matter what happens today?
For you must take life as it is, and tomorrow will come.

Falcons Endure Tough Season . . .

The 1978 Falcon Football team finished with a 4-5 record, but this record isn't indicative of the performance of the team. Many untried seniors were asked to step into key starting positions, and numerous underclassmen earned varsity letters. As a result, this lack of experience affected the outcome of many games.

After winning two of their first three contests against Fort Lee and Cliffside Park, the Falcons then suffered three straight losses to Dumont, Tenafly, and the division winner, Englewood. But the falcons rebounded, winning their next two 18-7 over New Milford and 18-0 over Garfield in the third annual Burger King Bowl. On Thanksgiving Day, Saddle Brook suffered a 33-8 loss to a vastly improved Lyndhurst team.

The Falcons were led by seniors Ralph Giacomarro, who was selected as All-County punter and All-League defensive back, and Mike Lamparillo All-League Guard and honorable mention All-County. The team was also led by seniors Mike Malkowski, Steve Kalinowski, Bob DeRisi, Chip Martin, Joe Laurentino, Jim Wejsa, and Kevin Hickey.

The Falcons future looms bright as the team returns next season to the remodeled Roy P. Burke Stadium, which has undergone renovations this year. Coach Gerry Gundry will have Jim Wisse, Chris Wahler, Frank Mayo, Joe Baiunco, Dave Mize and Jeff Evans returning. The experience of this years' squad will help make next year's team a title contender.

Girls' Tennis: A Smashing Season

The girls' varsity Tennis Team completed a very successful season with a tie for second place in the BCSL American League standings. Returning 1977 varsity players Kathy Lou Leone, Linda McAleese and Chris Liquori led this team in singles' action throughout the season. Leone, turned in the best individual record again this year with a 10-2-1, while holding down the toughest position of 1st singles. The junior standout demonstrated a superior all-court game throughout the season, complimenting it with excellent sportsmanship and encouragement for her team-mates. Five players were selected for All-League honors, this year. Included were Kathy Lou Leone, sophomore Linda McAleese, who finished with an 8-5 record, and senior Chris Liquori who also finished with a record of 8-5. Geri Masterson and Mary Cullen played very well in an early match against Fort Lee solidifying their 1st Doubles All-League honors. Lisa Duriske and Lynne Buggle combined to post a 4-2 record in 2nd doubles competition. They were assisted by Jill Gutwetter and Joan Onorevole.

Soccer Heads Through

The varsity soccer team compiled a 4-12 record during the 1978 season. This season was a disappointing one, but coach Paul Osmer looks on to next year. With returning lettermen and up-coming J.V. players, the S.B. soccer team hopes to be more victorious than ever.

Joe Latona's ball handling skills make him one of the premier guards in the county.

The varsity Basketball team finished the 1978-1979 season with a 7-14 record. After losing six of their first seven games, the Falcons responded with wins over Ridgefield Park, New Milford, and Tenafly, and later they added a win against Garfield to finish out the first half of the season.

The second half of the season saw the Falcons lose four games by margins of less than five points. Three of these games were to Dumont, 54-50, Lyndhurst, 46-43, and Cliffside Park, 59-55, all Bergen County Jamboree participants. The team was lead by senior captain Joe Latona, one of the foremost guards in the area. Other seniors included Ray Biggs, Charlie Kammerer, Tom Rooney, Dave Gutwetter, and Mark Guerra. They have promoted true school spirit throughout the year. Not only did they sell buttons and ribbons on game days, they also decorated the houses of our football players with signs such as "A Falcon Lives Here." With these special touches, and with the guidance of Ms. Pat Miller, the girls have worked hard this year.

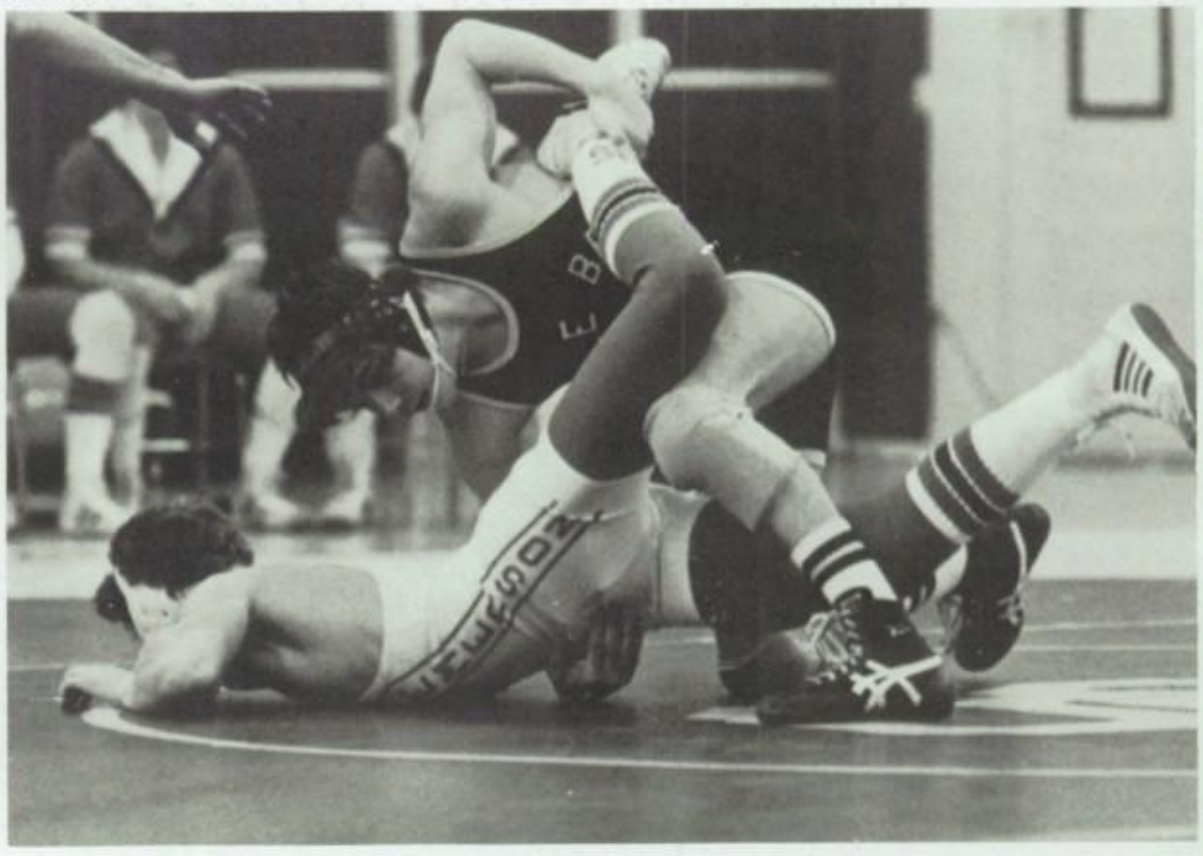
Ready to Explode: Junior Dave Vignola proved to be a solid winner at 108 lb.

Four Year Varsity Wrestler: Captain Joe Laurentino is working his way toward a pin. The senior finished the year by being named to the all-league team.

Below: Tough Breakdown: Jeff Ammerman another of S.B.'s talented Sophs drills his opponent into the mat.

Another Falcon Pin: Soph. Mike Tritto won his varsity letter by pinning his New Milford opponent.



1965-1979, 13th Straight Winning Season

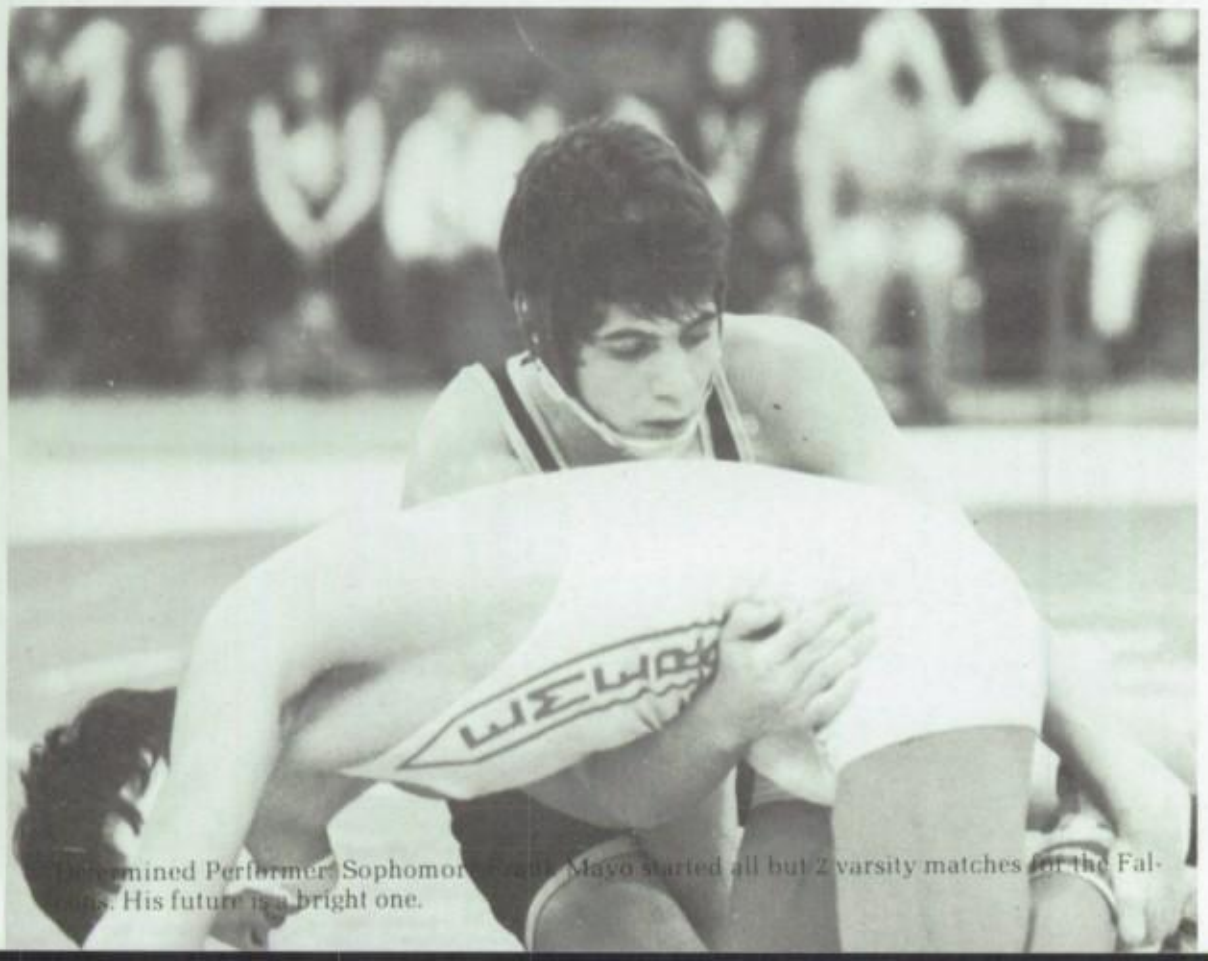
Future Star: Sophomore standout Chris Marren discusses strategy with Coach Presti during a time out.

Valuable Assistant: Coach Jim Sutera watches varsity action.

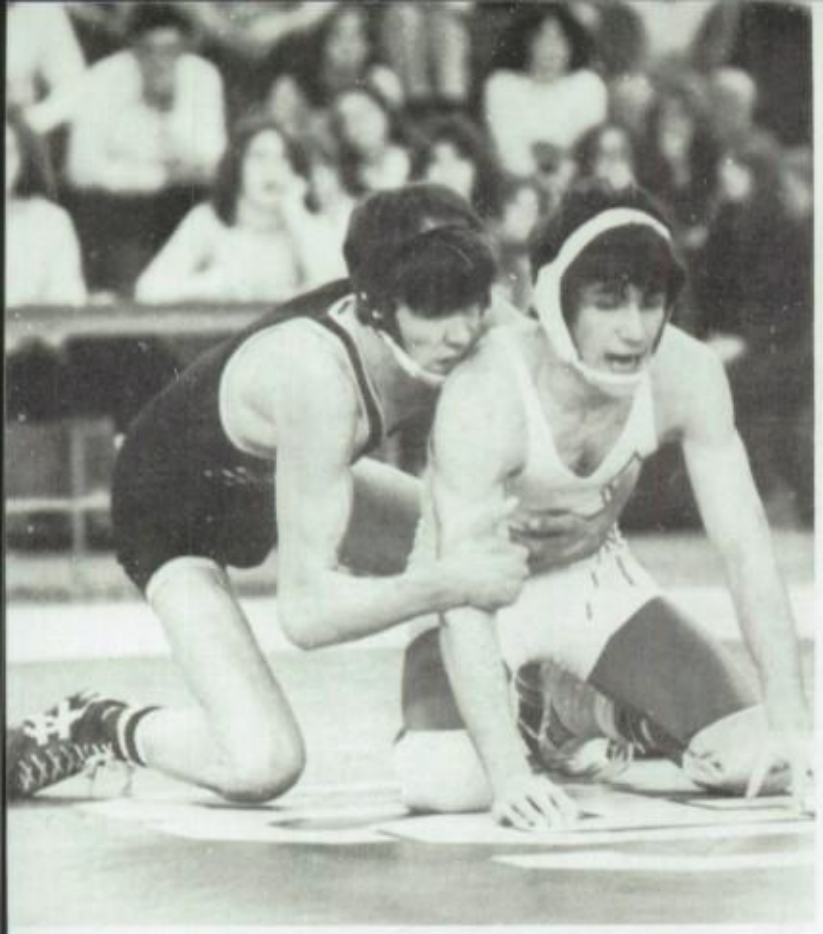
The Falcon Wrestling team, despite beefing up their schedule and having a predominantly sophomore lineup, still managed a winning 7-5-1 season, the 13th straight winning season for S.B.H.S. wrestling teams.

Led by seniors Joe Laurentino, Mike Lamparillo, John LaGuardia and Ralph Giacomarro, the Falcons started slowly but rallied by winning the last 4 matches of the year. Mike Lamparillo went into the record books by pinning 16 of his opponents, an all time high, and winning the District and Regional Championships, placing him among the top 8 wrestlers in N.J. Giacomarro (1st), Laurentino (3rd), and John Phelan (3rd) also won medals in the District Championships.

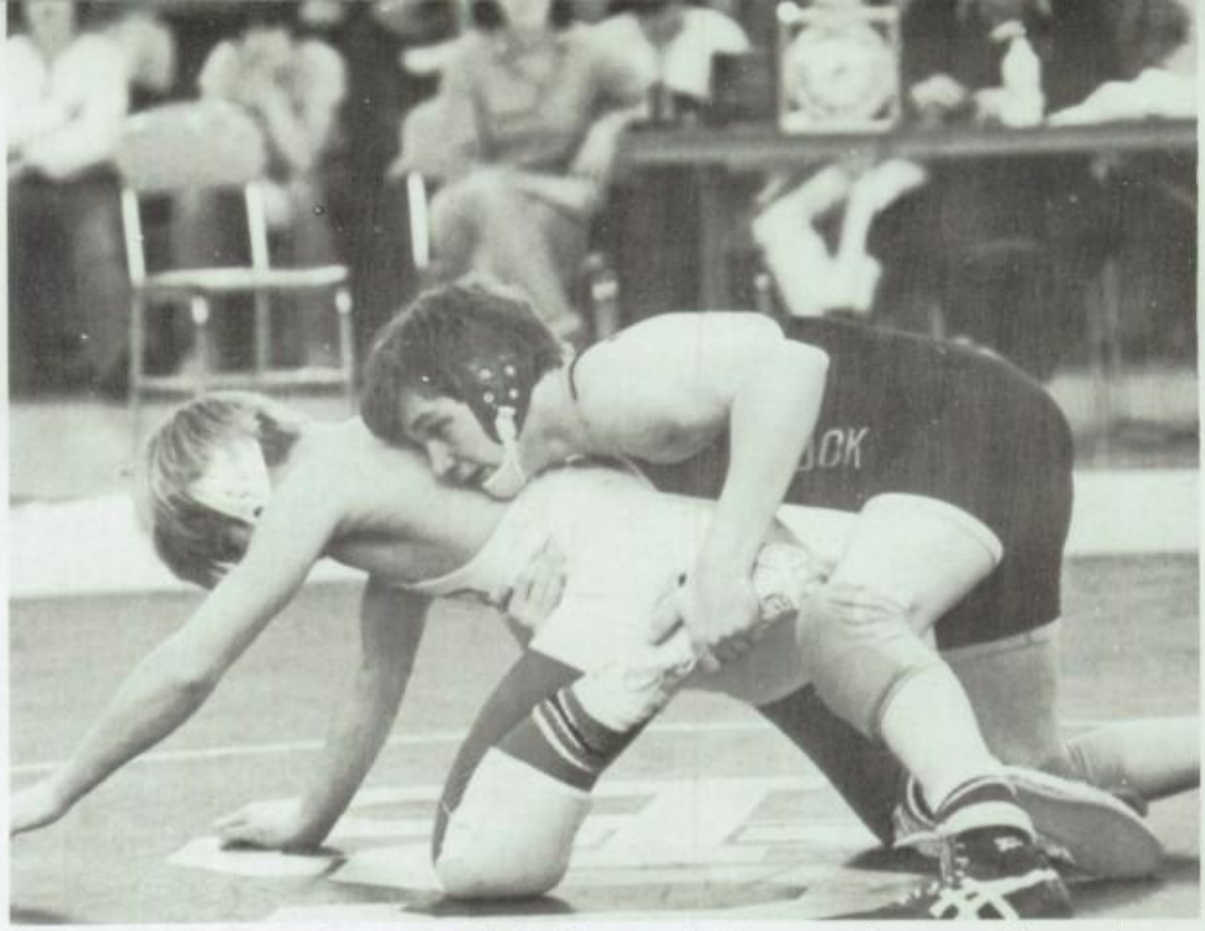
Outstanding Wrestler: Sr. Mike Lamparillo set an all-time school record of 16 pins in a single season.



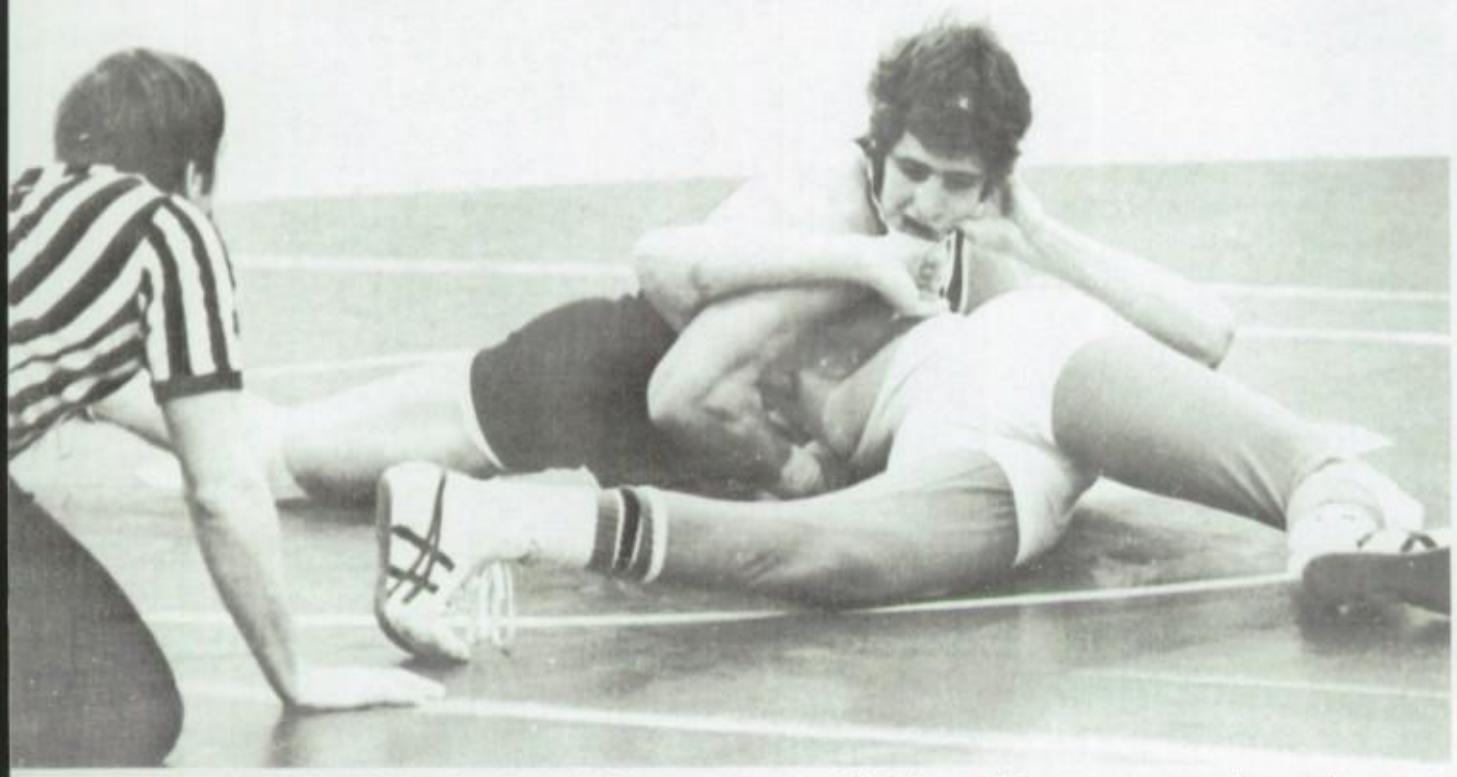
Determined Performer: Sophomor[illegible] Mayo started all but 2 varsity matches for the Falcons. His future is a bright one.



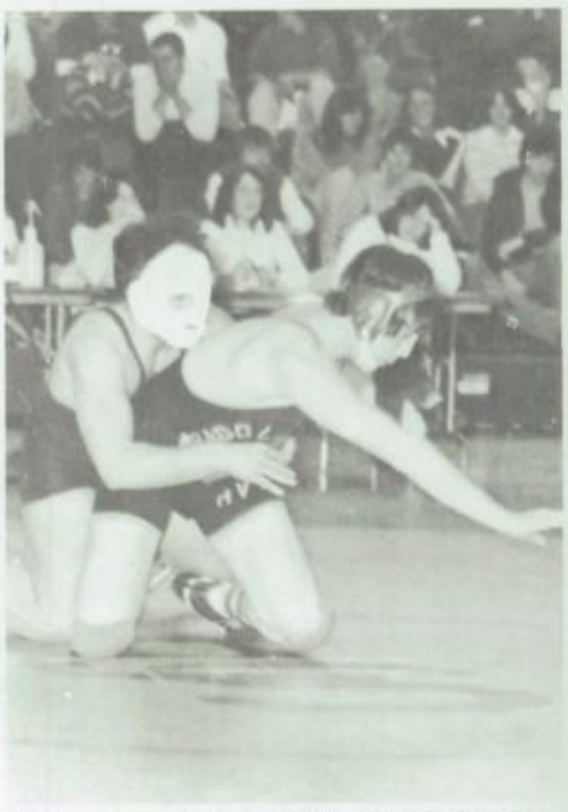
Getting the Jump: Senior 122 pounder John Laguardia beats his opponent on the whistle. A valued team member he will be missed next season.



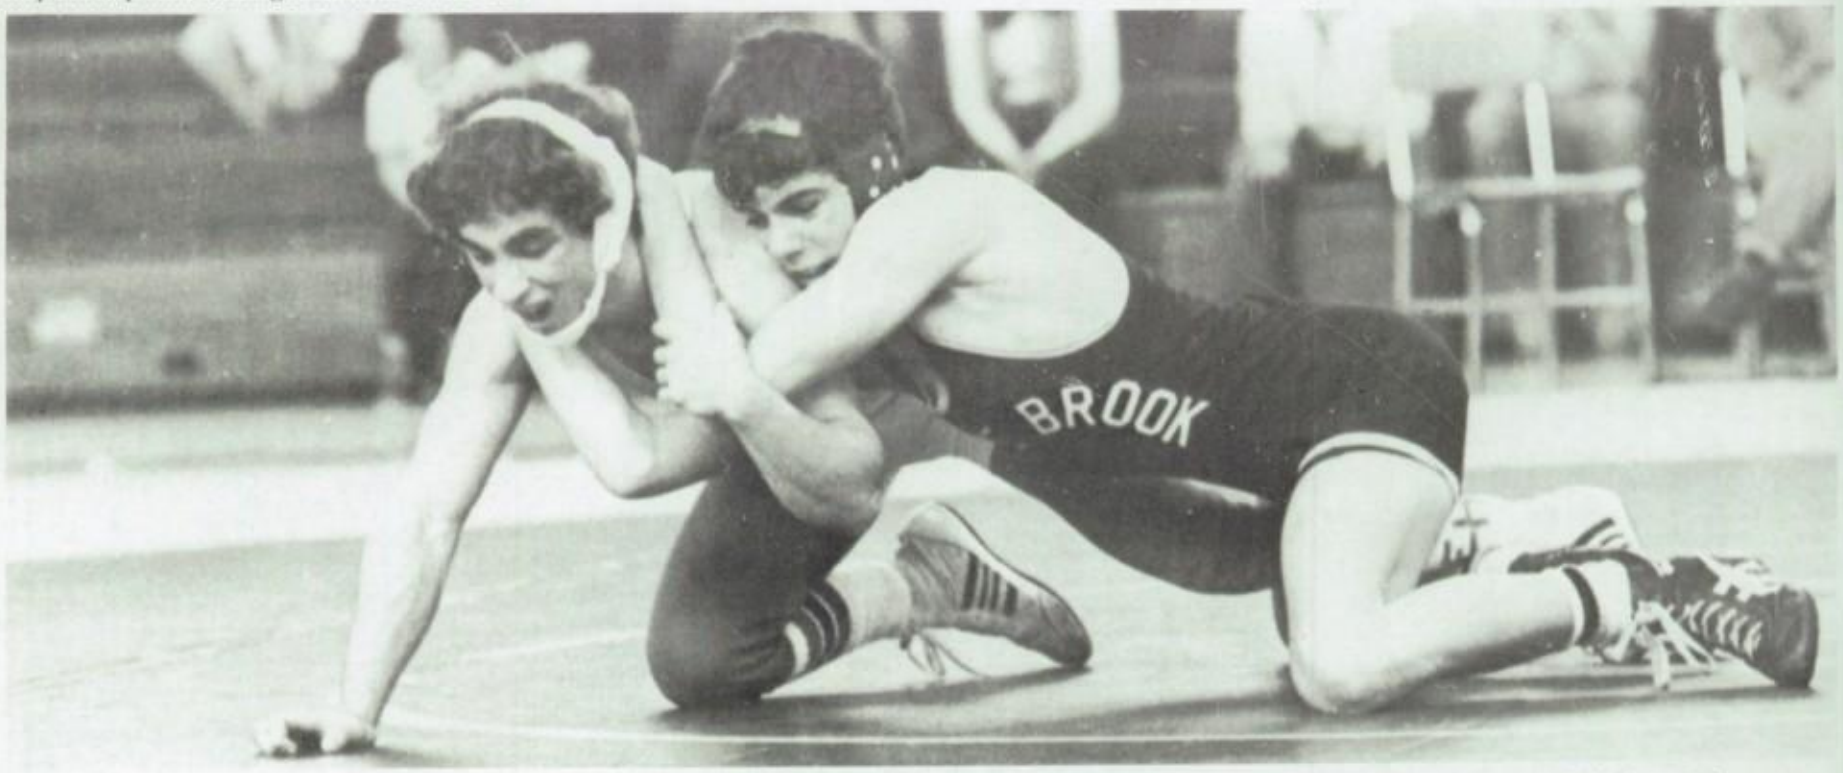
The Outstanding Underclassmen: Jr. John Phelan wrestles his way to first team all league honors and a 14-4-1 record.



Pinning an Undefeated Wrestler: Sr. Ralph Giacommaro pins McGuiness of Emerson among others on his way to a District Championship and all league honors at 188 lbs.



Sophomore Heavyweight, Bill Hyman was impressive in his first varsity season.



Most Improved Wrestler: Soph. Gordy Russo tries for the pin against Masiello of Emerson. By the end of the season, he was one of the best Falcon grapplers.

Keglers Roll Into Second Place.

Saddle Brook's bowling team finished in second place this year with a record of 44 wins and 10 losses. Joe Alia coached the team to a good season led by consistent starters. The captain of the team, Mike Nass, finished the season with a 167 average. Tom Wieczorek finished with a 164 average and Bob Sudo a 172 average. Other bowlers were Mike Basciano, 164 average, Scott Lenhart, 153.8 average, Bill Gelenius, 138.9 average, and Ken Schloman closed the year with a 182.3 average.

In the county tournament the bowling team finished in 11th place. Mike Basciano bowled the high game for Saddle Brook with a 225. In the State tournament however, Bob Sudo bowled a 584 series and came in 8th place, which qualified him to bowl as an individual bowler in the State Championship.

Junior Debbie Insalaco looks for the open man.

Co-captain Lori Mackanin drives toward another of her 1148 points of her career.

The Girls' Basketball team closed out another stellar season this year with a record of 19-6. Although the Falcon girls only championship this season was in their own Christmas Tournament, they established themselves as a consistent powerhouse in league, county, and state play with impressive records over the past three years (59-14) and continual improvement this year. Team accomplishments this year include the Christmas Tournament Championship; a repeat appearance in the County Tournament; advancing to the semi-finals of the state tournament sectional championship; and a final rating of third in the county among Group One and Two schools. This season also marked the end of the career of Saddle Brook's best female basketball player, Lori Mackanin. In leading the team as co-captain; Lori broke and set the following personal records; most points in a game (41 at 63%), most points in a season (555); points per game average (23.2); second highest assist average; most steals and intercepted passes per game and missed the career scoring mark by 11 points scoring 1148 points in her career. She was the first player from a Saddle Brook Girls' team to be selected first section all league, all county second team and was chosen all area by *the Herald News* for a tri-county poll.

We will sorely miss her services and wish her well at North Carolina next year as we wish for all of our graduating Seniors (Mary Cullen and Denise Hans) whose dedication, resolve and determination have made Saddle Brook Girls' Basketball a power to be reckoned with.

We are counting on the returning upper classmen especially captains Kathy Lou Leone and Cathy Gray to provide the leadership for a very young team next year in order to produce another winning season.

Coaches Ken Bishé and Greg Cahayla plan strategy.

Co-Captain Kathy Lou Leone goes baseline against Fort Lee.

Lori Mackanin, Cathy Grau, Lisa Noonburg, and Diana Norwick get ready for the inbound play.

Junior, Cathy Grau takes a short jump shot.

Falcon Track Team . . .

Randy Soloman

The indoor track team enjoyed another successful season as they finished sixth in the state relays and eighth in the state individuals. Senior Mike Sibertzeff, who was named honorable mention all county in the shot put, finished fifth in the state as well as in the county and he copped first place in the Morris Catholic Invitational. Junior Richard Duriske was also named honorable mention all county in the shot put. He finished sixth in the county and fourth in the Morris Catholic Invitational. Sophomore Dan Cullen was named honorable mention all county in the long jump and he finished fifth in the county in that event. Another senior, Jerry Hanley, finished fifth in the county. The shuttle relay quartet of Tony Petrocello, Steve Smith, Dan Cullen, and Perry Shiller placed third in the state relays. The shot put relay team of Mike Sibertzeff and Rich Duriske finished third in the state relays. Tim Shicowich joined the aforementioned to win the Paramus Catholic Winter Relay Championship in the shot put relay.

It is a young outdoor track team that will be competing this year, but have no fear. They all have great potential for the future. This year's outstanding performers should be: seniors Mike Siberzeff in the shot and discus; Ed Kesemere as a sprinter; Jerry Hanley as the distance-man; Bob Myerjack in the half mile; Rich Pierson and Al D'Anthony both quarter milers; and John LaGuardia in the distance and jumping events. Many juniors have come out for the team. They are: shotput and discus man Rich Duriske; javelin hurlers Mark Doornbosch, Dewey Ribustello and Paul Melde. In addition, Melde will be a sprint man as will be Frank Barrale. Ray Simonse and Walt Geer will be distance men. Tony Petrocello and Perry Shiller will take care of the hurdles and jumping events. Steve Smith will also hurdle as well as run the quarter mile. Tim Seitz will be the pole vaulter. The Sophomores will be: Tim Shicowich, the shotput and discus man; Jerry Cawley with the javelin, and discus thrower Jeff Evans. Winter track stand-out Dan Cullen will be the hurdles man and he will also take care of the jumping events as will Joe Baiunco. The pole vaulters will be Mike Tritto and Mike Wilczynski. We have some very talented freshmen coming out in Tony Russo and Jim Mayse. They will take care of sprints, javelin and the hurdles.

Getting Back to Base-ics

With nine returning lettermen, the varsity baseball team looks forward to a fine season this year. Led by Coach Gerry Limone, and co-captains Mike Malkowski and Steve Kalinowski, the team combines strong hitting with sound fielding and a solid pitching staff. Starters include: Tom Troyano, Steve Kalinowski, Bob Chinchar, Mike Malkowski, Joe Vassile, and Alex Freay, and starting pitchers, Jim Wejsa, Mike Cerbo, and Ray Larkin.
